Independent Examiner's Report of the Trustees of

BRITISH FRIENDS OF ORAYTA

I report on the accounts of the trustees for the year ended 31st December 2024 which are set out on the following pages.

Respective Responsibilities of the Trustees and Examiner.

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for the year under Section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- a) Examine the accounts under Section 145 of the Charities Act,
- b) To follow the procedures laid down in the general directions given by the Charity Commission under Section 145(5)(b) of the Charities Act, and
- c) To state whether matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with these records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would require an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in, any material respect, the requirements:
 - (a) To keep accounting records in accordance with Section 130 of the Charities Act; and
 - (b) To prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Report of the Trustees for the year ended 31 December 2024

Structure, Governance, and Management

Governing Document

British Friends of Orayta is constituted as a charity registered with the Charity Commission in February 2019 under Charity Number 1181839. It is governed by a Constitution last updated in January 2019.

Organisational Structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet annually to take decisions relating to the activities of the charity. There are no sub-committees.

Recruitment and appointment of trustees

The trustees are former students or have a relationship with Orayta. Trustees are selected because of their relationship with Orayta and evidence of participation in the life of the organisation. Trustees shall have competences in finance, or third sector organisations, or professional involvement in education.

Induction and training of trustees

New trustees are given copies of the Constitution. A number of publications from the Charity Commission in hard copy or electronic form are provided including the guidance on charities and the public benefit and on the advancement of religion for the public benefit.

Risk Management

The trustees have assessed the risks the charity faces which relate the level of continuing donations to the charity. The trustees review the risks at their meetings and consider that they are negligible as the charity has no costs and all income is passed on to Orayta.

Objectives and activities

Our objectives

These are set out in our Constitution and are:

THE ADVANCEMENT OF THE ORTHODOX JEWISH FAITH BY MAKING GRANTS TO INDIVIDUALS AND/OR RELIGIOUS EDUCATIONAL INSTITUTIONS WHICH FURTHER THE ADVANCEMENT OF THE ORTHODOX JEWISH FAITH AND IN PARTICULAR BUT NOT EXCLUSIVELY BY MAKING SUCH GRANTS TO YESHIVAT ORAYTA IN ISRAEL.

Our activities

The charity receives donations from students (former and current) of Orayta, parents of students (former and current), communal organisations, charitable trusts, and individual donors who are not parents of students at Orayta. Several times a year the accumulated funds are transferred to Orayta to assist with their expenditure requirements.

Statement of compliance with the duty in section 4 of Charities Act 2006

In setting our objectives and planning our activities, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education.

Financial review

The trustees' policy is to transfer to Orayta all accumulated funds several times a year leaving only a small positive balance in our account.

Principal Funding Sources

The charity's only source of funding is voluntary donations. Our income for the period ending 31st December 2024 of £27,032 (2023 £27,469) came from parents of former and current students and individual supporters of Orayta.

Investments

The charity has no investments.

Statement of Trustees' responsibilities

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees for the purposes of charity law who served during the year and up to the date of this report are set out on page 1.

Approved by the trustees and signed on its behalf by:

Notes to the Accounts

1: Accounting Policies

a: Basis of preparation

The Financial statements have been prepared under the historic cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting by Charities 2015 FRSE. The following are the accounting policies which have been applied in dealing with material items:

b: Funds structure

All funds are unrestricted. The charity has not designated any funds for a specific purpose.

c: Incoming resources.

All incoming resources are recognised once the charity has entitlement to the resources. It is certain the resources will be received, and the monetary value of incoming resources can be measured with sufficient reliability. Voluntary donations are included in the statement of financial activities when receivable. The charity does not receive any grants, donated services, or investment income. The charity has no trading activity.

d: Resources expended.

Liabilities are recognised as resources expended as soon as there is legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under the headings that aggregate all costs related to the category.

e: Irrecoverable VAT.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

f: Allocation of overhead and support costs, costs of generating funds, costs of charitable activities, Governance costs, purchase

of fixed assets and depreciation, and pensions.

No costs were incurred and no assets purchased. No assets are held and there is no depreciation. There are no employees and no pension obligations.
