## Review of 2023 Club Development

Wave Slaves Surf Club provides surfing opportunities for children and young people aged 8-18years, predominantly operating in Newquay, Cornwall. After ten years of operating as a constituted community sports club, Waves Slaves Surf Club registered as a Charitable Incorporated Organisation in Feb-19. The club continues to operate from Quiksilver Surf School, at Fistral beach.

The club is managed by a volunteer Board of Trustees, who are elected by the membership alongside other Committee members at the Annual General Meeting. The Trustees are representatives of the young people, as parents or carers, or elected based on their skills and experience. At the AGM in November, Trustee Laura Cutting and Committee member Bianca Blown stepped down. We thank them for their time and support over the last year. We are delighted to welcome to the Committee and Trustee Board Jane Devereux.

The Board continues to work with appointed Head Coach professional surfer, qualified RLSS trainer and instructor Jen Pendlebury and Deputy Head Coach professional surfer and instructor Ruebin Pearce. They manage a team of local experienced and qualified Surf Instructors.

The club's dedicated Safeguarding Officer, Trustee Sally Power has continued to work with our Head Coaches to ensure the safety of the children and young people. There were once again no major incidents.

## Financial Review for year ending 30/11/23

During the year the club transferred to an ethical Co-operative Charity Bank Account. Income for 22/23 was £20,475 which is a decrease on 21/22 income (£27,759). There was no change in weekly subs at £6.50 which will be maintained during 2024. 2023 saw the final year of our Co-op Community Fund partnership, raising £1,367. A further £362 was raised in donations and fundraising.

Expenditure during 22/23 was £20,662 (£23,839 in 21/22). The club finished the year end with a small deficit of -£187. The club invested in six new surfboards during the year, and intend to continue replacing equipment where needed. The club retains £15,125 in cash in bank at the end of the year. The purchase of a van is currently under review due to rising costs associated with up-keep.

A massive Thank You to the following companies and foundations for their continued support:

## 2023 Activities & Achievements

Surfing commenced at the start of April, running through to early December. We operate at up to 48 members on both Mondays and Thursdays evenings running until the end of October with a member to coach ratio of 8:1. With leavers and new starters we engaged **106 local children and young people in regular surfing activity during 2023.**

In total 56 surf sessions were delivered. Three sessions had to be cancelled due to weather and sea conditions. Following parent/carer feedback, we also only operated one evening per week during August.

We maintained a dedicated team of experienced instructors providing:

- Consistency in instruction to help develop each member week on week
- Mentor to promote physical and mental well-being
- More progressive surfing tuition
- Integrating surf fitness on the beach as part of club sessions

Additional Instructor training is proposed for 2024 to maintain and improve coaching standards.

*"He's gone from a very shy quiet lad that struggled to make new friends to a confident outgoing young man who loves to socialise. Wave Slaves has been absolutely tremendous and he has loved every minute of it."*

## Winter Swim Training

Winter swim training operates from November through to March, with weekly pool sessions at Waterworld Pool Newquay. Uptake of winter swim training continues to be popular, with young people undertaking pool based swimming lessons, paddle skills training and sea rescue skills.

## High Tide Activities

When the high tide prevented surfing, we delivered a range of alternative activities. This year the members tried their hand at stand-up paddle-boarding, coasteering, and slip n slide.

*'Look at all those happy faces. Thanks so much! 😊😊😊'*

## Post 16 Coaching Opportunities

During the year, one young person completed their training within the club to achieve their RLSS Surf Coach qualification, completing volunteer hours as an assistant coach during sessions. In 2024, we hope to be able to extend this opportunity to a further two members reaching the age of 16 during the year.

## End of Season Presentations

Presentations and certificates were made at the AGM and end of season party in November to acknowledge the progress made by each young person. We also presented our end of year awards. These are not based solely on ability but also on:

- Improved skill/behavior/attitude
- Consistently good behavior/attitude
- Commitment to learning and improving
- Role model to others
- Respect for fellow members and instructors
- Based on collective instructor team suggestion and nomination

*“He has had a great time and learnt amazing skills. We would like to say a massive thank you to everyone at Wave Slaves for such a great opportunity.”*

Note 2	Accounting policies	
<i>This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.</i>		
INCOMING RESOURCES		
Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"><li>the charity becomes entitled to the resources;</li><li>the trustees are virtually certain they will receive the resources; and</li><li>the monetary value can be measured with sufficient reliability.</li></ul>	
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.	
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.	
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.	
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.	
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.	
	Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.	
	Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.	
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.	
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	
Investment income	This is included in the accounts when receivable.	
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	
EXPENDITURE AND LIABILITIES		
Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.	
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.	
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.	
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	
ASSETS		
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.	
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.	
Stocks and work in progress	These are valued at the lower of cost or market value.
