## **FINANCIAL REVIEW**

The income of the charity is above £16,000. Though this is an increase for the year the costs have been well managed over this period. The organisation is still in a good position to manage its costs. The main cost of the organisation was paying for the hire of the hall that the organisation used during the year.

The church intends to continue to host its regular services during the year. The intended re-appointment of our present independent examiner at the upcoming trustee meeting is expected to support the financial operations by making it more effective.

## **RESERVE POLICY**

It is the policy of the Charity to maintain unrestricted funds, which are the reserves of the charity at about 3 months of unrestricted expenditure. This provides sufficient funds to cover any emergency expenditures that may arise from time to time. The charity will seek to maintain this level throughout the year.

## **RISK MANAGEMENT**

The charity have assessed all the major risks to which the charity is exposed to, in particular those related to operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to major risks.
