Policy on grant making	Para 1.38	We dig boreholes in areas of significant need in Zambia. We judge this need against criteria which assess the number of people who will benefit, the level of risk associated with their current water supply and how far away their current water source is. The schools and clinics make

		applications to us for specific projects with costings. We then assess how much this will benefit the local population and make contributions accordingly. Our aim is to carry out annual due diligence visits, to inspect the funded projects and assess further development needs. Between these visits we rely on electronic communications and photographs of current situations and completed works. The provision of receipts for all monies spent is a requirement of our system. A due diligence visit was completed in October 2024 and a further visit planned for October 2025.

In addition there was continued financial support to teachers' allowances and help the school become an examination centre. The school farm continues to provide food for the school children. We have provided financial assistance for fertilizer, seed and livestock. 3. Hilda's Clinic and Maureen's Care Centre. Provided financial support to both clinics to be able to provide necessary medication and replacement equipment. A one-off contribution was made to support the staff. We purchased emergency generators and contributed to the installation of solar power at both clinics. Additional financial support was needed because of the local cholera epidemic. Money was given to upgrade the lead door on the xray room and also paint. We paid for the legal licences and registration which the clinics need to operate. 4. Boreholes During this reporting period we funded 15 new boreholes around Lusaka and more remote areas. We funded necessary repairs on the vehicle used by Oasis Relief to access the boreholes 5. Two supporters of the charity have continued to provide sponsorship for 2 students accessing further education. 6. I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Policy on grant making	Para 1.38	We dig boreholes in areas of significant need. We assess this need against criteria which assess the number of people who will benefit, the level of risk associated with their current water supply and how far away their current water source is. The schools and clinic make application to us for specific projects with costings. We then assess how much this will

		benefit the local population and make contributions based on that. The provision of receipts is a requirement of our system. Our aim is to carry out annual due diligence visits and check on the projects and possible further developments. These visits have not been possible during Covid restrictions in recent years. During this time we have relied on electronic communication, photographs of current situations and completed works and the provision of receipts for all money spent. We aim to complete a due diligence visit in October 2023.

Set out on pages

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 September 2021

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached..
