Report of the trustees

For the year ended 31 March 2025

About us

Covenant of Peace Assemblies is a faith-based charity that advances the Christian religion mainly, but not exclusively, by means of broadcasting Christian messages of an evangelistic and teaching nature, through the holding of Christian religious worship, prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christian religion to enlighten others about the Christian religion.

We advance in life and relieve needs of young people by providing support and activities which develop their skills, capacities, and capabilities to enable them to participate in society as mature and responsible individuals.

We also promote social inclusion for the public benefit by working with people who are socially excluded, to relieve the needs of such people and assist them to integrate into society, through the provision of a local network group that encourages and enables those who are socially excluded to participate more effectively within the wider community and by increasing, or co-ordinating, opportunities to engage with service providers, to enable those providers to adapt services to better meet the needs of that community.

Our social inclusion programme also supports refugees and asylum seekers who are socially excluded on the grounds of their social and economic position, by providing:

1. education and training in the English language and in vocational skills;
2. social and recreational facilities and events involving the local community.
3. items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

COVENANT OF PEACE ASSEMBLIES
Notes to the financial statements
For the year ended 31 March 2025

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a. Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Covenant of Peace Assemblies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b. Judgments and estimates

The trustees have made no key judgments which have a significant effect on the accounts. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

c. Incoming resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

d. Tithe, Regular offering and Donations

Tithe, Regular offering and Donations consist of the total tithe, regular offering and donations from members of the church and other members of the public along with income from fundraising events.

e. Charity status

The charity is a charitable Incorporated Organisation (CIO). The members of the charity are represented by the trustees named on page 3. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

f. Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

COVENANT OF PEACE ASSEMBLIES
Notes to the financial statements
For the year ended 31 March 2025

In many cases, costs are incurred on projects before the relevant restricted income is received. Therefore, unless contrary to a donor's wishes, interest income generated from restricted funds is treated as unrestricted, to cover the pre-financing costs incurred.

g. Gift aid

Gift Aid tax reclaims is recognised for any Gift Aid certificates received up to two months after the year-end, in relation to donations made prior to the year-end, where the Gift Aid tax reclaim application was filled to HMRC prior to the year-end.

e. Tangible fixed assets

All expenditure of a capital nature on development work overseas is expensed as incurred, while tangible fixed assets in the UK costing more than £100 are capitalized and included at cost, including any incidental expenses of acquisition. Depreciation is provided on tangible fixed assets at rates calculated to write off the cost by equal annual instalments over their expected useful economic lives as follows:

Freehold land and buildings	Nil
Computer infrastructure	5 years
Computer equipment	4 years
Furniture, fixtures and equipment	4 years

Impairment reviews are conducted when events and changes in circumstances indicate that an impairment may have occurred. If any asset is found to have a carrying value materially higher than its recoverable amount, it is written down accordingly.

f. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

g. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

About us

Covenant of Peace Assemblies is a faith-based charity that advances the Christian religion mainly, but not exclusively, by means of broadcasting Christian messages of an evangelistic and teaching nature, through the holding of Christian religious worship, prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christian religion to enlighten others about the Christian religion.

We advance in life and relieve needs of young people by providing support and activities which develop their skills, capacities, and capabilities to enable them to participate in society as mature and responsible individuals.

We also promote social inclusion for the public benefit by working with people who are socially excluded, to relieve the needs of such people and assist them to integrate into society, through the provision of a local network group that encourages and enables those who are socially excluded to participate more effectively within the wider community and by increasing, or co-ordinating, opportunities to engage with service providers, to enable those providers to adapt services to better meet the needs of that community.

Our social inclusion programme also supports refugees and asylum seekers who are socially excluded on the grounds of their social and economic position, by providing:

1. education and training in the English language and in vocational skills;
2. social and recreational facilities and events involving the local community.
3. items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

The notes on pages 9 to 14 form part of these financial statements

COVENANT OF PEACE ASSEMBLIES
Notes to the financial statements
For the year ended 31 March 2024

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a. Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Covenant of Peace Assemblies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b. Judgments and estimates

The trustees have made no key judgments which have a significant effect on the accounts. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

c. Incoming resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

d. Tithe, Regular offering and Donations

Tithe, Regular offering and Donations consist of the total tithe, regular offering and donations from members of the church and other members of the public along with income from fundraising events.

e. Charity status

The charity is a charitable Incorporated Organisation (CIO). The members of the charity are represented by the trustees named on page 3. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

f. Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

COVENANT OF PEACE ASSEMBLIES
Notes to the financial statements
For the year ended 31 March 2024

In many cases, costs are incurred on projects before the relevant restricted income is received. Therefore, unless contrary to a donor's wishes, interest income generated from restricted funds is treated as unrestricted, to cover the pre-financing costs incurred.

g. Gift aid

Gift Aid tax reclaims is recognised for any Gift Aid certificates received up to two months after the year-end, in relation to donations made prior to the year-end, where the Gift Aid tax reclaim application was filled to HMRC prior to the year-end.

e. Tangible fixed assets

All expenditure of a capital nature on development work overseas is expensed as incurred, while tangible fixed assets in the UK costing more than £100 are capitalized and included at cost, including any incidental expenses of acquisition. Depreciation is provided on tangible fixed assets at rates calculated to write off the cost by equal annual instalments over their expected useful economic lives as follows:

Freehold land and buildings	Nil
Computer infrastructure	5 years
Computer equipment	4 years
Furniture, fixtures and equipment	4 years

Impairment reviews are conducted when events and changes in circumstances indicate that an impairment may have occurred. If any asset is found to have a carrying value materially higher than its recoverable amount, it is written down accordingly.

f. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

g. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Report of the trustees
For the year ended 31 March 2023

About us

Covenant of Peace Assemblies is a faith-based charity that advances the Christian religion mainly, but not exclusively, by means of broadcasting Christian messages of an evangelistic and teaching nature, through the holding of Christian religious worship, prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christian religion to enlighten others about the Christian religion.

We advance in life and relieve needs of young people by providing support and activities which develop their skills, capacities, and capabilities to enable them to participate in society as mature and responsible individuals.

We also promote social inclusion for the public benefit by working with people who are socially excluded, to relieve the needs of such people and assist them to integrate into society, through the provision of a local network group that encourages and enables those who are socially excluded to participate more effectively within the wider community and by increasing, or co-ordinating, opportunities to engage with service providers, to enable those providers to adapt services to better meet the needs of that community.

Our social inclusion programme also supports refugees and asylum seekers who are socially excluded on the grounds of their social and economic position, by providing:

1. education and training in the English language and in vocational skills;
2. social and recreational facilities and events involving the local community.
3. items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

We advance in life and relieve needs of young people by providing support and activities which develop their skills, capacities, and capabilities to enable them to participate in society as mature and responsible individuals.

We also promote social inclusion for the public benefit by working with people who are socially excluded, to relieve the needs of such people and assist them to integrate into society, through the provision of a local network group that encourages and enables those who are socially excluded to participate more effectively within the wider community and by increasing, or co-ordinating, opportunities to engage with service providers, to enable those providers to adapt services to better meet the needs of that community.

Our social inclusion programme also supports refugees and asylum seekers who are socially excluded on the grounds of their social and economic position, by providing:

1. education and training in the English language and in vocational skills;
2. social and recreational facilities and events involving the local community.
3. items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

COVENANT OF PEACE ASSEMBLIES
Notes to the financial statements
For the year ended 31 March 2022

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a. Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Covenant of Peace Assemblies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b. Judgments and estimates

The trustees have made no key judgments which have a significant effect on the accounts. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

c. Incoming resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

d. Tithe, Regular offering and Donations

Tithe, Regular offering and Donations consist of the total tithe, regular offering and donations from members of the church and other members of the public along with income from fundraising events.

e. Charity status

The charity is a charitable Incorporated Organisation (CIO). The members of the charity are represented by the trustees named on page 3. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

f. Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

COVENANT OF PEACE ASSEMBLIES
Notes to the financial statements
For the year ended 31 March 2022

In many cases, costs are incurred on projects before the relevant restricted income is received. Therefore, unless contrary to a donor's wishes, interest income generated from restricted funds is treated as unrestricted, to cover the pre-financing costs incurred.

g. Gift aid

Gift Aid tax reclaims is recognised for any Gift Aid certificates received up to two months after the year-end, in relation to donations made prior to the year-end, where the Gift Aid tax reclaim application was filled to HMRC prior to the year-end.

e. Tangible fixed assets

All expenditure of a capital nature on development work overseas is expensed as incurred, while tangible fixed assets in the UK costing more than £100 are capitalized and included at cost, including any incidental expenses of acquisition. Depreciation is provided on tangible fixed assets at rates calculated to write off the cost by equal annual instalments over their expected useful economic lives as follows:

Freehold land and buildings	Nil
Computer infrastructure	5 years
Computer equipment	4 years
Furniture, fixtures and equipment	4 years

Impairment reviews are conducted when events and changes in circumstances indicate that an impairment may have occurred. If any asset is found to have a carrying value materially higher than its recoverable amount, it is written down accordingly.

f. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

g. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

About us

Covenant of Peace Assemblies is a faith-based charity that advances the Christian religion mainly, but not exclusively, by means of broadcasting Christian messages of an evangelistic and teaching nature, through the holding of Christian religious worship, prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christian religion to enlighten others about the Christian religion.

Our social inclusion programme also supports refugees and asylum seekers who are socially excluded on the grounds of their social and economic position, by providing:

1. education and training in the English language and in vocational skills;
2. social and recreational facilities and events involving the local community.
3. items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.
