ADAPT Charity

Report of the Trustees

For the year ended 30th June 2022

ADAPT Charity's trustees are very pleased to present this annual report and accounts, their third since ADAPT Charity was set up in February 2019. This document is set out in compliance with the requirements of the Charity Commission and the Companies Act.

In presenting this report the trustees would like to express their sincere thanks to all those whose vision, commitment and hard work have achieved so much in a short time.

Objectives and activities

Summary of the main purposes of the charity as set out in its governing document

The purpose of the charity is to provide housing and support to those in recovery from addiction / alcoholism.

ADAPT is an innovative organisation with a clear mission to support people living in addiction to achieve lasting recovery. We succeed in this through two distinct services, firstly we provide safe and quality housing along with regular drug testing, especially vital for clients who have been homeless and vulnerably housed due to their addiction issues. Secondly we have established a flagship therapeutic service which combines intensive evidence-based therapies delivered both in a 1-1 and group-based setting.

What makes ADAPT unique and our impact to date so significant, is that the service is designed and delivered by experts with lived experience. Empathy for the Addict is central to our values and our vision for achieving the long term change so urgently needed.

Founded in 2019 by Edwina Cobb, ADAPT is based in Cowley, Oxford, in the heart of one of the 20% most deprived areas in the United Kingdom. To date, we have secured ten properties, three of these are starter houses, between these three properties we have 15 clients who are on our day programme which runs five days per week.

The other seven houses are 'move on flats' for our clients who have successfully completed the six month programme at ADAPT.

The core aims of ADAPT are:

- To enable residents to build the foundations of independent living.
- To support vulnerable adults to return to work through developing their employability skills.
- To empower clients to sustain their drug abstinence.
- To repair relationships and build stronger family bonds.
- To reduce the number of clients on benefits.
- To reduce the rate of drug-related crime.

Summary of main activities in pursuit of these objects

The charity fulfils its objects by supplying housing, interpersonal group therapy, 1-1 counselling and recovery workshops. The backbone of our service is one of evidence-based psychotherapeutic interventions with an integration of twelve step principles.

ADAPT Charity

Report of the Trustees

For the year ended 30th June 2022

Statement on public benefit

The trustees understand and are committed to ensuring that ADAPT Charity upholds the Charity Commission's guidance on public benefit. Public benefit inspires us and drives our charitable activity and this is demonstrated in the detail of this report.

Achievements and performance

ADAPT CHARITY provided ten houses for its charitable activities. Meaning three new properties were opened throughout the year June 2021 – June 2022.

ADAPT Charity has a good record of client retention, operated five day per week day programme and took on two part time specialist addictions psychotherapists. It also took on two volunteers who have been through the ADAPT programme. It also undertook abstinence based recovery. To date we ADAPT have had 352 referrals.

How fundraising performed

Generous donations have been received, namely from Martin Geddes Foundation, Albert Hunt, The Leigh Trust and the National Lottery. This has helped providing clients with 1-1 therapy and holistic therapies 3 x per week which include mindfulness, acupuncture, yoga and gym.

Financial review

The charity received income in the year of £445,733 (2021: £219,553) and after expenses of £417,586 (2021: £183,175), there was a surplus of £28,147 (2021: £29,975). The charity had free reserves of £59,049 at 30th June 2022 (2021: £40,811). The Trustees consider that reserves of 6 months expenses should be held and this amounts to £209,000 based on these accounts, the Trustees will look at ways to increase their free reserves in line with the growth of the charity.

Future plans

ADAPT have begun working with The Icarus Trust, a family addictions charity that provide support to family members of addicts and alcoholics, our future plan is to complete the merge and take over the Trust and intends to offer support not only to our clients but also to the general public and families of addicts.

Structure, Governance and Management

How ADAPT is constituted

ADAPT Charity is a CIO. There are five trustees, who meet quarterly, there are five employee's (the CEO, an operations manager, two part time specialist addictions counsellors, one who works one day a week and the other who work two days per week and a part time support worker who works three days a week). It also has two volunteers who work five days per week.

Selection, induction and training of trustees

New trustees are recruited from people known by the existing trustees. New trustees are referred to the Charity Commission guidance on their duties as a trustee.

The organisational structure

The charity is managed by its trustees. There are five employees (an operations manager and two part-time therapists and a support worker) other than trustees. The trustees meet regularly to manage the charity.

Independent Examiner's Report to the Trustees of ADAPT Charity

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30th June 2022 which are set out on pages 5 to 9.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of your charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination;

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ADAPT Charity

Notes to the accounts (continued) for the year ended 30th June 2022

1. Accounting policies

(a) Basis of preparation

The financial statements have been prepared in accordance with the Charities Act 2011, accounting and reporting by charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st October 2019) (Charity SORP FRS 102) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

ADAPT Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

(b) Preparation of accounts on a going concern basis

The Trustees consider that the principal uncertainty regarding going concern relates to the ability to raise funds. The Trustees monitor results and budget to mitigate that risk.

(c) Volunteers

The value of services provided by volunteers has not been included.

(d) Income

Income is included when receivable. Where income has conditions attached to it, that income is recognised when there is certainty of receipt, entitlement and the amount can be measured with sufficient reliability. Income (including grants receivable) is deferred where conditions exist on entitlement such as a specified future time period.

(e) Expenditure

Expenditure is recognised in the period in which it is incurred and includes attributable VAT which cannot be recovered. Expenditure is recognised when a legal or constructive obligation arises. Costs of raising funds are those costs incurred in attracting voluntary income. Governance costs are those costs incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

(f) Depreciation

Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life, which in all cases is estimated at 5 years.

(g) Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

(h) Funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

Restricted funds are where the donor specifies the use to which the funds can be spent.

(i) Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

2. Salaries and wages

2022

2021

ADAPT Charity

	£	£
Notes to the accounts (continued) for the year ended 30th June 2022		
Salaries and wages	93,932	60,711
