The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees have a risk management strategy which includes an annual review of the risks the charity faces and the establishment of systems and procedures to mitigate those risks and implementation of procedures designed to minimise any potential impact on charity should those risks materialise.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- i) which gives me reasonable cause to believe that in any material respect the requirements : to keep accounting records in accordance with section 130 of the 2011 Act; and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act, have not been met; or
- ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
