Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity had a successful year in 2019 but it was likely to be our final year operating in this sense. The lease of Bruntingthorpe airfield was granted to a new company with no interest on preserving most aviation based activities on site. Depending on further developments it is likely the charity will look to follow the due processes to redistribute its funds and ultimately close.

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	Nil.
Performance of fundraising activities against objectives set	Para 1.41	None were set with the above (para 1.20) in mind.
Investment performance against objectives	Para 1.41	n/a
Other		n/a

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Sound. These are essentially in suspended animation until the future is resolved. One major expense this year was the relocation of one of the charity's loaned items to a new location - a major aviation museum - where it is now on display.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	As a very small charity operating a large and potentially expensive to maintain asset, the charity was aiming to build a reserve of approximated 1-2 years expenditure. However, this has been over taken by the events described in "Achievements and Performance" above.
Amount of reserves held	Para 1.22	£7790.
Reasons for holding zero reserves	Para 1.22	n/a
Details of fund materially in deficit	Para 1.24	n/a
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Awaiting final confirmation, but due to the circumstances detailed above, it is likely the charity will cease to operate in 2022 and its assets dispersed to other charities with similar objectives in the aviation preservation and education field.

Additional information (optional)

You may choose to include further statements where relevant about:
