## To Trustees of Wolds Community First Responders - Annual Report

We have had a very quiet time during the 'Covid period'.

We have supported Covid Immunisation clinics.

Two new CFR's have joined after receiving East Midlands Ambulance Service training.

The team have provided schools training, public training and business training in CPR and defibrillator familiarisation to over 200 members of the public.

In the 12 months up to October 2022 we provided X service 'on call' hours and attended X 'Call outs'.

Regards

Peter Blount

Scheme Co ordinator
