CENTRE OF CHANGE COUNSELLING AND MENTORING SERVICE

Strategic Report

The Trustees have pleasure in presenting their strategic report and the draft financial statements for the year ended 31 December 2023.

Principal activities

The primary objective of the organisation is to promote and protect the mental health of children and young people, adults and families by the provision of counselling, coaching and psychotherapy support.

Business review

The Organisation saw a £31.1k loss in the period (2022: £4.2k profit). Turnover was £20.9k (2022: £48.7k).

The decreased revenue and profit compared to 2022 reflects the reduced grant funding received compared to prior periods.

The organisation remains focused on controlling overheads in line with grant funding to ensure the conditions of the grant funding terms are met.

Current assets have increased to £14.6k from £40.3k, a decrease of £25.7k. Of this, £5.8k relates to the decrease in cash and cash equivalents and a £1.4k decrease in trade receivables due to reduced activity.

The decrease in Net current liabilities by £31.1k is mainly due to holding grant funding of £24.8k on behalf of third parties.

Organisation's strategy and future outlook

Work will be focused on acting as a resource for young people up to the age of 25 by providing advice and assistance, mentoring programmes, education and other activities as a means of:

(a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;

(b) advancing education;

(c) providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons."

This strategic report was approved by the Board on 25 October 2024 and signed on its behalf.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the Strategic Report, the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and profit or loss of the Organisation for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Organisation will continue in business

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Organisation's and transactions and disclose with reasonable accuracy at any time the financial position of the Organisation and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the organisation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditor

The trustees confirm that:

- so far as each trustee is aware, there is no relevant audit information of which the Organisation's auditor is unaware, and
- the trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Organisation's auditor is aware of that information

Auditor

The auditor, [TBC], will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the Board on [DD] [MONTH] 2024 and signed on its behalf.

CENTRE OF CHANGE COUNSELLING AND MENTORING SERVICE

Strategic Report

The Trustees have pleasure in presenting their strategic report and the draft financial statements for the year ended 31 December 2022.

Principal activities

The primary objective of the organisation is to promote and protect the mental health of children and young people, adults and families by the provision of counselling, coaching and psychotherapy support.

Business review

The Organisation saw a 140% profit to £48.7k in the period (2021: £18.8k profit). Turnover was £48.7k (2021: £18.8k) - 61.4% higher than the prior year. Operating profit increased by £14.9k to £4.2k (2021: £10.6k loss).

The increased revenue and profit compared to 2021 reflects the Organisation's efforts in obtaining more grant funding than in prior periods.

The organisation remains focused on controlling overheads in line with grant funding to ensure the conditions of the grant funding terms are met.

Current assets have increased to £40.3k from £4.6k, an increase of £35.7k. Of this, £27.7k relates to the increase in cash and cash equivalents and a £8.5k increase in trade receivables due to customers taking longer to pay.

The increase in current assets is offset by a £31k increase in current liabilities. This is mainly due to deferred income from grant funding of £31.8k.

Organisation's strategy and future outlook

Work will be focused on acting as a resource for young people up to the age of 25 by providing advice and assistance, mentoring programmes, education and other activities as a means of:

- (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- (b) advancing education;
- (c) providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons."

This strategic report was approved by the Board on 31 October 2023 and signed on its behalf.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the Strategic Report, the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and profit or loss of the Organisation for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Organisation will continue in business

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Organisation's and transactions and disclose with reasonable accuracy at any time the financial position of the Organisation and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the organisation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditor

The trustees confirm that:

- so far as each trustee is aware, there is no relevant audit information of which the Organisation's auditor is unaware, and
- the trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Organisation's auditor is aware of that information

Auditor

The auditor, [INSERT NAME], will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the Board on 31 October 2023 and signed on its behalf.

**Centre of Change Counselling and Mentoring Service
Trustee's Report 2021**

Operations have been severely impacted by the covid-19 pandemic, and its aftermath, over the year.

The focus of operations is on those young people who may be at risk of exclusion, or who have already been excluded from school, as well as those at risk of offending or ex-offenders. Priority is also put on those who are struggling with mental health issues and who find it difficult to access other services.

The primary objective of the organisation is to deliver counselling and mentoring to young people between the ages of 10 – 25 years old within the Fieldway and New Addington area, as these areas are deemed the most deprived wards in the borough of Croydon and are well known for high rates of deprivation, poverty, social exclusion, isolation, high unemployment and high crime rates. However, in accordance with the parameters of the charity's constitution, support is also available to any other family members, and geographically the reach extends to the entire Croydon borough. Typically, service users access a minimum of 3 months counselling to tackle a range of mental health issues; they can also use the mentoring provision to help establish strategies and practical support in making better life choices to shape more positive and productive futures. All counselling and mentoring programmes are bespoke to individual needs.

Expenditure exceeded income by £10,691 resulting in an accumulated deficit of £7,012.

During the year, we received funding totalling £7,910 from 2 organisations enabling Centre of Change to continue employing one full-time employee to maintain the services provided to clients.

**Centre of Change Counselling and Mentoring Service
Trustee's Report 2020**

2020 has been the most successful year for Centre of Change financially and, more importantly, operationally in its twelve year existence of serving the children and families of New Addington and surrounding areas.

The focus is on those young people who may be at risk of exclusion, or who have already been excluded from school, as well as those at risk of offending or ex-offenders. Priority is also put on those who are struggling with mental health issues and who find it difficult to access other services.

The primary objective of the organisation is to deliver counselling and mentoring to young people between the ages of 10 – 25 years old within the Fieldway and New Addington area, as these areas are deemed the most deprived wards in the borough of Croydon and are well known for high rates of deprivation, poverty, social exclusion, isolation, high unemployment and high crime rates. However, in accordance with the parameters of the charity's constitution, support is also available to any other family members, and geographically the reach extends to the entire Croydon borough. Typically, service users access a minimum of 3 months counselling to tackle a range of mental health issues; they can also use the mentoring provision to help establish strategies and practical support in making better life choices to shape more positive and productive futures. All counselling and mentoring programmes are bespoke to individual needs.

During the year, we received funding totalling £27,000 from 4 organisations enabling Centre of Change to employ one full-time employee to expand and focus the services provided to clients.
