TRUSTEES ANNUAL REPORT

The trustees present their report with the financial statements of the charity for the year ended 31st December 2024.

OBJECTIVES AND ACTIVITIES

To relieve the needs of people in North West England, including but not exclusively in the Blackburn and wider East Lancashire regions who are in need, hardship or distress, and in particular by providing support, education, and temporary and longer terms accommodation with the object of improving their conditions of life within a Christian ethos.

The trustees have complied with the requirements of the Charity Commission with regard to public benefit.

ACHIEVEMENTS AND PERFORMANCE

Arise Restoration Centre continues to provide crisis intervention services and crisis prevention services for people who are in high risk exposure to, for example, hunger, poverty, homelessness, domestic violence, or negative and destructive health lifestyles which can or may lead to depravity or suicide.

The charity has responded to post COVID-19 challenges through its '**Hunger and Mental Health Initiative 2022**' due to the fact that hunger is one of the most overlooked factors of mental health in the UK. Its methodology is the application of three separate but complimentary programmes:

"Feed Our People Crusade" (food distribution),

"Grow Your Own – Grow Your Wellbeing" (community gardening).

"Cycle for Life" – providing physical and mental health activities in Witton Park, Blackburn with its 12 donated bicycles.

We are now distributing food to over 400 adults and 300 children weekly in Blackburn and Darwen, all on very limited funding.

FINANCIAL REVIEW

The charity is reliant on donations and small grants. At the year end, the funds of the charity amounted to £103.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document
