To: MICHAEL EVANS

Dear Mr Michael Evans,

Thank you for your application to register your organisation as a Charitable Incorporated Organisation (CIO) which we have now been able to assess.

In assessing your application we follow the framework set out on our website in *How charity registration decisions are made*, see:

<https://www.gov.uk/government/publications/how-charity-registration-decisions-are-made-charity-commission>

In order to be eligible to register as a charity and organisation must have exclusively charitable purposes and operate for the public benefit.

We have considered your application further and from the information provided we are unable to register at this stage.

I go into detail on the application below and explain what we would need from you.

Purposes and public benefit

We need further information to continue our assessment.

Please address the following questions:

1. Does the organisation advance education as a purpose?
2. Does the organisation prevent or relieve poverty as a purpose?

We have guidance on the above areas here:

<https://www.gov.uk/government/publications/charities-supplementary-public-benefit-guidance>

3. Your objects define 'low income groups'? What measures are used to identify those groups? Is there any assessment of the income of beneficiaries? If not, does this need to be included in the objects? We look at the wording of the objects in the section below.
4. How will beneficiaries be identified and selected and their needs assessed?
5. How will the organisation transport the materials and monitor their distribution for charitable purposes?

6. Have the named trustees considered need for a collection license?

7. You state in the application that no land or property used by the organisation benefit from business rate relief. We understand that this includes the premises that will be used for the storage of products collected in the UK. Please inform us if that is incorrect.

8. We are told that staff overseas are founder trustees - what do you mean by that exactly? All of the trustees listed in the application are resident within England and Wales.

9. Can you confirm that the named trustees are able to review expenses claims and oversee charitable expenditure? Will any trustees receive expenses for activities undertaken overseas? Can you confirm that the trustees will follow our guidance on trustee expenses and payments? See:

<https://www.gov.uk/government/publications/trustee-expenses-and-payments-cc11>

10. Can you confirm that the named trustees have read our guidance on Charities Working Internationally:

<https://www.gov.uk/charities-how-to-manage-risks-when-working-internationally?>

Can you confirm that the named trustees are aware of our various toolkits that are available through the above link, including the compliance toolkit and the Charities and Terrorism toolkit?

Objects

We have considered the objects at clause 3 of the constitution supplied with your application.

The first object states 'To relieve the daily living and educational needs'. By including 'educational needs' are you trying to state a purpose falling under the advancement of education? There is not much detail about that aspect although the provision of educational materials is mentioned and this could advance education in its own right.

You refer to the 'economically poor' and based on what you tell us the organisation may potentially prevent and/or relieve poverty.

The information presented does not demonstrate the need

The Mark Chambers Foundation CIO

England & Wales - Charity number 1182396

Accounts

THE MARK CHAMBERS Foundation CIO
