OBJECTIVES AND ACTIVITIES

The objectives of the charity are to advance education in Pakistan by the establishment, support and maintenance of a school and accommodation for the orphan and turned away children. We are committed to offering education to the turned away children living in Pakistan almost every corner of the country.

ACHIEVEMENTS AND PERFORMANCE

Teach Me Please's principal activity during the reporting period was the provision of access to education for orphaned, poor, and socially excluded children in Pakistan. The charity seeks to advance education by establishing, supporting, and maintaining schools that provide both educational instruction and safe accommodation where required. During the year, Teach Me Please extended structured financial and strategic support to Grounds Level School (GLS), a charitable institution delivering inclusive education without discrimination on the basis of gender or ability.

Financial assistance provided by Teach Me Please contributed towards tuition fees, school uniforms, and essential learning materials, ensuring continuity of education for children from marginalised backgrounds. In addition to financial support, the charity contributed to improving educational quality by facilitating curriculum development and teacher training. This included engagement with qualified education specialists, including two Ph.D. holders based in the United Kingdom with expertise in Information Technology, Mathematics, and Robotic Science. Their input supported the introduction of modern, skills-based learning aligned with contemporary educational standards. GLS has steadily improved the quality of education year by year, reflecting enhanced teaching standards and academic excellence.

In light of this progress, GLS is assessing the feasibility of opening an additional branch in the District of Chakwal, where there is a demonstrable need for quality education. Teach Me Please is reviewing this proposal to ensure alignment with its charitable objectives and financial sustainability before making any commitment. The Trustees continue to review the impact of technological change on education and are adapting the charity's support to ensure beneficiaries gain relevant skills that enhance long-term employability and self-sufficiency.

PUBLIC BENEFIT

In setting objectives and planning activities, the Trustees have had due regard to the Charity Commission's guidance on public benefit, including guidance relating to fee charging. The charity's activities directly benefit orphaned and disadvantaged children by improving access to education and reducing exposure to child labour, which remains prevalent in the communities served.

By providing education and essential resources, the charity supports beneficiaries in developing the skills and knowledge necessary to manage their own lives and improve future prospects. The charity is funded entirely through voluntary donations. There were no operating or administrative costs incurred during the year, and all funds received were applied directly to charitable activities.

STRUCTURE, GOVERNANCE AND MANAGEMENT (Trustees' Statement)

The Trustees confirm that they have reviewed this report and approve it as an accurate account of the charity's activities, achievements, and public benefit during the reporting period.

Statement of trustees' responsibilities in respect of the Trustees' Annual Report and the Financial Statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. For preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the method and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustee are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charity Act, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements were approved by the Board of Trustees and were signed on its behalf by:

OBJECTIVES AND ACTIVITIES

The objectives of the charity are to advance education in Pakistan by the establishment, support and maintenance of a school and accommodation for the orphan and turned away children. We are committed to offering education to the turned away children living in Pakistan almost every corner of the country.

ACHIEVEMENTS AND PERFORMANCE

Teach Me Please is dedicated to transforming the lives of orphaned and turned-away children across Pakistan by establishing, supporting, and maintaining schools that provide not only education but also safe accommodation. Understanding that education is the most powerful tool to break the cycle of poverty and exclusion, we remain steadfast in our mission to reach every vulnerable child, ensuring they are given the same opportunities as their more privileged peers. Throughout this reporting period, we have strategically expanded our efforts by extending unwavering support to Grounds Level School, a charitable institution committed to delivering equitable education regardless of gender or ability. Recognising that children from marginalised backgrounds often face insurmountable barriers to education, we have committed to providing consistent financial assistance to this institution, covering tuition fees, school uniforms, and other essentials to create a stable and uninterrupted learning environment. Beyond financial aid, we are elevating the quality of education by introducing modern skill-building initiatives that empower children with knowledge that extends beyond traditional curricula. Acknowledging the global shift towards digital learning, we have partnered with esteemed educationists, including two distinguished Ph.D. holders from Great Britain—one specialising in IT and Mathematics and the other in Robotic Science—who are instrumental in aligning the curriculum with contemporary educational standards and training educators to deliver high-quality instruction. As we focus on fostering academic excellence, we are also strengthening a robust network of stakeholders, donors, and volunteers who are united in their commitment to broadening the impact of this initiative. Through collective action, we aim to reach even more underserved children, ensuring they are not left behind in an increasingly competitive world. The progress made by Grounds Level School stands as a testament to our commitment, with student enrolment steadily growing to 210. As we approach the new academic year in March 2025, we are excited to introduce the 9th grade, marking yet another milestone in our mission to provide uninterrupted and quality education. With each passing year, the standard of education continues to rise, and with it, the prospects of the children we serve. In planning our objectives and shaping our initiatives, we have remained aligned with the Charity Commission's guidance on public benefit, ensuring that every effort we make contributes directly to those in need. The charity operates entirely on the generosity of its supporters, and with no operational costs, every contribution is channelled directly into transforming lives. At its core, Teach Me Please is not just about education—it is about giving children the tools to reclaim their future, breaking free from the vicious cycle of child labour that is nothing short of modern-day slavery. Each child saved from a life of hardship is a future leader, innovator, and changemaker. This is not just our mission; it is a shared responsibility, and we continue to invite individuals and organisations to join us in this transformative journey. We are actively engaging with donors, sharing our fundamental vision that the future of these children is not determined by chance but by the conscious decisions we make today, and through collective effort, we have the power to transform their stories and shape a brighter tomorrow.

PUBLIC BENEFIT

In shaping our objectives for the year and planning our activities, the Trustees have considered the Charity Commission's guidance on public benefit, including the guidance on public benefit and fee charging. The Charity relies on the donation income it receives from its donors to cover its operating costs. There is no operating cost during the year.

TEACH ME PLEASE is focusing to provide modern education to the orphan, poor and turned away children in Pakistan and enable them to manage their own lives. Through this project, we would be able to save the children from child labour, which is equivalent to modern day slavery.

The Trustees declare that they have approved the Trustees' report above.

OBJECTIVES AND ACTIVITIES

The objectives of the charity are to advance education in Pakistan by the establishment, support and maintenance of a school and accommodation for the orphan and turned away children. We are committed to offering education to the turned away children living in Pakistan almost every corner of the country.

ACHIEVEMENTS AND PERFORMANCE

During the reporting period, our organization has made a strategic decision to extend support to Grounds Level School, a charitable institution dedicated to providing equitable educational opportunities to children irrespective of gender or ability. Recognizing the critical role education plays in empowering individuals, particularly the marginalized, we have committed to providing ongoing financial assistance to the institution on a monthly basis. This support encompasses covering tuition fees, provisioning school uniforms, and addressing any additional necessities imperative for the continuous education of disadvantaged children enrolled at the school. Furthermore, we are dedicated to enhancing the educational ecosystem at Grounds Level School by supplementing it with skill-building initiatives. In recognition of the rapidly evolving digital landscape in education, we have engaged with esteemed educationists, including two Ph.D. holders - one specializing in IT & Mathematics and the other in Robotic Science - based in Great Britain. Their

expertise are instrumental in tailoring the curriculum to align with contemporary educational standards and in training educators to deliver high-quality instruction.

In addition to fostering academic excellence, we are actively cultivating a robust network of donors and volunteers to expand our impact. By mobilizing resources and expertise from diverse stakeholders, we aim to broaden our support to reach more underserved children within the community. We are pleased to report that discussions with another reputable charity organization have commenced, and we are optimistic about the prospect of their collaboration in advancing this noble cause.

Through our concerted efforts and partnerships, we are committed to nurturing a conducive learning environment where every child, regardless of their background, has the opportunity to thrive academically and realize their full potential.

FINANCIAL REVIEW

The charity had an opening balance of general funds amounting to £76,535 at the start of reporting year and the charity received general donations of £12,021 during the year. At 31 March 2023 the charity had net assets of 88,556. The Trustees have reasonable expectation that the Trust have adequate resources to continue operating for the next twelve months.

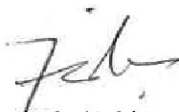

PUBLIC BENEFIT

In shaping our objectives for the year and planning our activities, the Trustees have considered the Charity Commission's guidance on public benefit, including the guidance on public benefit and fee charging. The Charity relies on the donation income it receives from its donors to cover its operating costs. There is no operating cost during the year.

TEACH ME PLEASE is focusing to provide modern education to the orphan, poor and turned away children in Pakistan and enable them to manage their own lives. Through this project, we would be able to save the children from child labour, which is equivalent to modern day slavery.

The Trustees declare that they have approved the Trustees' report above.

Statement of trustees' responsibilities in respect of the Trustees' Annual Report and the Financial Statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. For preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the method and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustee are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charity Act, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements were approved by the Board of Trustees and were signed on its behalf by:

OBJECTIVES AND ACTIVITIES

The objectives of the charity are to advance education in Pakistan by the establishment, support and maintenance of a school and accommodation for the orphan and turned away children. We are committed to offering education to the turned away children living in Pakistan almost every corner of the country.

ACHIEVEMENTS AND PERFORMANCE

During the reporting year, we have decided to support a Charity School "Grounds level School". This institution provides equal opportunities to girls, boys and to special children. They are offering Oxford international curriculum. We decided to provide them with financial support on monthly basis to meet the need of disadvantage children, to pay their tuition fee, provide them with School uniforms and any other support which is essential for them to continue their education. We aim to provide the Institution (Ground Level School) with skill support to further improve their educational system. This is an era of digital world where the changes have been happening at ever-accelerating pace. To cope with this changing education environment, we have had spoken to different educationists (Two Ph.D., one in IT & Math and the second one in Robotic Science) here in Great Britain and they are willing to help us to design the curriculum and to train teachers, to improve the quality of education.

FINANCIAL REVIEW

The charity had an opening balance of general funds amounting to £44,207 at the start of reporting year and the charity received general donations of £32,328 during the year. At 31 March 2022 the charity had net assets of 76,535. The Trustees have reasonable expectation that the Trust have adequate resources to continue operating for the next twelve months.

PUBLIC BENEFIT

In shaping our objectives for the year and planning our activities, the Trustees have considered the Charity Commission's guidance on public benefit, including the guidance on public benefit and fee charging. The Charity relies on the donation income it receives from its donors to cover its operating costs. There is no operating cost during the year.

TEACH ME PLEASE is focusing to provide modern education to the orphan, poor and turned away children in Pakistan and enable them to manage their own lives. Through this project, we would be able to save the children from child labour, which is equivalent to modern day slavery.

The Trustees declare that they have approved the Trustees' report above.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF TEACH ME PLEASE

I report on the accounts for the year ended 31 March 2022 set out on pages five to nine.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5) (b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Acthave not been met or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

OBJECTIVES AND ACTIVITIES

The objectives of the charity are to advance education in Pakistan by the establishment, support and maintenance of a school and accommodation for the orphan and turned away children. We are committed to offering education to the turned away children living in Pakistan almost every corner of the country.

ACHIEVEMENTS AND PERFORMANCE

During the reporting year, we aimed at to establish an independent institution under the umbrella of 'Teach me Please'. We tried to purchase land for school's building but due to high land prices in Islamabad our current resources do not permit us to buy a piece of land and erect a school building on it. Now we decided to support an educational institution which is providing education to the orphan and needy students on pro bono basis. We are already in talks with different institutions and collecting information from them and soon we would be able to reach to a decision that which institution needs our support. Very recently we had conducted a survey on Pakistani educational system, why this educational system is not so helpful to eliminate poverty from the life of common people?, for this purpose we conducted interviews with many educationists and their responses were the same. They replied that the said educational system is very generic and not focus on skill and personal development. Now we are aimed to support the educational institution which is more focus on skill and personal development.

We are also trying to spread our message to humanity at large to gather their support and to raise funds for this charity. We are also putting our efforts to display charity boxes at different places and trying to bring more professional people in support of this charity.

FINANCIAL REVIEW

The charity had an opening balance of general funds amounting to £22,515 at the start of reporting year and received general donations of £21,692 during the year. At 31 March 2021 the charity had net assets of 44,207. The Trustees have reasonable expectation that the Trust have adequate resources to continue operating for the next twelve months.
