OBJECTIVES AND ACTIVITIES

The objectives of the charity are to advance education in Pakistan by the establishment, support and maintenance of a school and accommodation for the orphan and turned away children. We are committed to offering education to the turned away children living in Pakistan almost every corner of the country.

ACHIEVEMENTS AND PERFORMANCE

Teach Me Please's principal activity during the reporting period was the provision of access to education for orphaned, poor, and socially excluded children in Pakistan. The charity seeks to advance education by establishing, supporting, and maintaining schools that provide both educational instruction and safe accommodation where required. During the year, Teach Me Please extended structured financial and strategic support to Grounds Level School (GLS), a charitable institution delivering inclusive education without discrimination on the basis of gender or ability.

Financial assistance provided by Teach Me Please contributed towards tuition fees, school uniforms, and essential learning materials, ensuring continuity of education for children from marginalised backgrounds. In addition to financial support, the charity contributed to improving educational quality by facilitating curriculum development and teacher training. This included engagement with qualified education specialists, including two Ph.D. holders based in the United Kingdom with expertise in Information Technology, Mathematics, and Robotic Science. Their input supported the introduction of modern, skills-based learning aligned with contemporary educational standards. GLS has steadily improved the quality of education year by year, reflecting enhanced teaching standards and academic excellence.

In light of this progress, GLS is assessing the feasibility of opening an additional branch in the District of Chakwal, where there is a demonstrable need for quality education. Teach Me Please is reviewing this proposal to ensure alignment with its charitable objectives and financial sustainability before making any commitment. The Trustees continue to review the impact of technological change on education and are adapting the charity's support to ensure beneficiaries gain relevant skills that enhance long-term employability and self-sufficiency.

PUBLIC BENEFIT

In setting objectives and planning activities, the Trustees have had due regard to the Charity Commission's guidance on public benefit, including guidance relating to fee charging. The charity's activities directly benefit orphaned and disadvantaged children by improving access to education and reducing exposure to child labour, which remains prevalent in the communities served.

By providing education and essential resources, the charity supports beneficiaries in developing the skills and knowledge necessary to manage their own lives and improve future prospects. The charity is funded entirely through voluntary donations. There were no operating or administrative costs incurred during the year, and all funds received were applied directly to charitable activities.

STRUCTURE, GOVERNANCE AND MANAGEMENT (Trustees' Statement)

The Trustees confirm that they have reviewed this report and approve it as an accurate account of the charity's activities, achievements, and public benefit during the reporting period.

Statement of trustees' responsibilities in respect of the Trustees' Annual Report and the Financial Statements

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. For preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the method and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustee are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charity Act, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements were approved by the Board of Trustees and were signed on its behalf by:
