NOTES

Expenditure was higher than income over the Financial Year mainly due to improvements and refurbishment costs. The Arts Club has a strong bank balance due to previous years grants, and the coming year will see this diminish, through further high costs for maintenance work.

However, if we strip out these costs, the general running costs of the Arts Club will be covered by the normal income from membership and exhibition and theatre hire.

Trustees monitor this position, are aware of the risks and approve the ongoing refurbishment costs.
