

Report for Potterspurvy Preschool 1182466 – Year ending 31st July 2021

This charity was inactive during the financial year 1st August 2020 to 31st July 2021. It was set up as the preschool currently runs under an unincorporated charity, and plans are there to switch the operation to a charitable incorporated organisation.

Once the required steps have been taken to change the operation to all run under this charity, the old charity will be folded and all activity will move to this charity.
