Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Summary of the Main Achievements of the Charity</p> <p>During the reporting period, the charity has made significant progress in advancing its core objectives to promote the Hindu religion and culture, enriching both its direct beneficiaries and the wider community.</p> <p>1. Spiritual Programs, Ceremonies, and Rituals</p> <p>Regular spiritual gatherings, religious ceremonies, and traditional Hindu festivals were conducted throughout the year. These events offered the community opportunities for worship, reflection, and connection, strengthening faith and spiritual well-being. Notably, major festivals such as Diwali, Navaratri, and Holi were celebrated with strong community participation, fostering unity and cultural pride.</p> <p>2. Promotion of Yoga and Meditation</p> <p>Weekly yoga and meditation sessions were delivered, benefiting a wide range of age groups. These programs supported both physical health and mental well-being, especially important during periods of increased stress and isolation. The sessions were well-received and have encouraged ongoing participation and lifestyle changes among attendees.</p> <p>3. Teaching of Classical Indian Arts</p> <p>Classes in traditional Indian vocal music, instrumental music, and classical dance were conducted regularly. These have helped to preserve cultural heritage and have been especially impactful for younger generations, offering them a strong connection to their roots and identity. Students also participated in community showcases, building confidence and community pride.</p> <p>4. Promotion of Vegetarianism and Eco-Living</p> <p>The charity actively promoted vegetarianism through educational talks, workshops, and vegetarian catering at events. Campaigns highlighting the environmental and ethical benefits of plant-based living were shared with the community. Efforts to encourage eco-conscious practices, such as waste reduction and the use of</p>

		<p>sustainable materials during events, were also well received.</p> <p>5. Advancing Education in Hindu Culture, Traditions, and History</p> <p>Educational sessions, guest lectures, and cultural storytelling events were organised to deepen understanding of Hindu philosophy, scriptures, and history. These sessions attracted attendees across age groups and were instrumental in nurturing knowledge and respect for the religion's values and contributions to global culture.</p>
		<p>Overall Impact:</p> <p>The charity's work has contributed positively to the spiritual, cultural, and personal development of its beneficiaries. It has played a key role in preserving Hindu traditions and providing a sense of belonging and community, especially for younger generations growing up in a multicultural society. The wider impact includes promoting intercultural understanding, health and well-being, and environmental responsibility.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>At 31 March 2024, the charity reported total funds of £3,047 (2023: £3,297). Income for the year was £30,622 (2023: £25,315), an increase largely due to higher standing order donations and general donations. Expenditure was £30,872, resulting in a net deficit of £250 (2023: deficit £764).</p> <p>The main costs relate to rent (£23,000), rates (£2,815), insurance, utilities, and depreciation (£2,045). The charity remains solvent, with sufficient cash at bank (£4,998) to cover short-term liabilities (£3,693).</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The trustees have considered the level of reserves appropriate for the charity, taking into account the need to ensure financial stability, meet future commitments, and manage unexpected costs.</p> <p>At the year-end, the charity held £3,047 in unrestricted reserves. These reserves are modest and are intended to provide a buffer against fluctuations in income and essential running costs such as rent and utilities.</p>
Amount of reserves held	Para 1.22	Unrestricted reserves at 31 March 2024: £3,047 (2023: £3,297).
Reasons for holding zero reserves	Para 1.22	The charity does not currently hold designated or restricted reserves. This reflects the fact that all funds received are used directly to support ongoing charitable activities, with little surplus available for long-term accumulation.
Details of fund materially in deficit	Para 1.24	The charity has no funds that are materially in deficit as at 31 March 2024.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The trustees have reviewed the financial position and are satisfied that the charity can continue to operate as a going concern for the foreseeable future. While reserves remain low, the charity has a stable base of donor support, particularly through standing order donations, which provide a reliable source of income. The trustees are confident that continued fundraising, community support, and careful cost management will sustain the charity's activities.

1.1 Basis of preparation

These accounts have been prepared under the historical cost convention, as modified by the inclusion of charitable properties and fixed asset investments and investment properties at valuation.

These accounts have been prepared in accordance with “Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)” (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

1.2 Going concern

The Trustees have prepared financial projections, taking into consideration the current economic conditions and have, at the time of approving these accounts, a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.
