Governance and management

The Charity was registered on the 24th of February 2016 as a Charitable Incorporated Organisation.

The Charity is operated under the rules of its Constitution adopted on the 15th of March 2019. An Amendment was made by special resolution to the change of name to Lifegate Christian Chapel UK.

Objects and Activities of the Charity

The objects of the Church are, for the benefit of the public:-

To advance the Christian faith in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit;

Summary of the main activities undertaken for the public benefit

The trustees have given due regard to the public benefit guidance as issued by the Charity Commission.

Various activities and ministries, such as worship services, prayer meetings, Bible Studies and music practice were available during Sundays and other days of the week.

Other events that has been effective and fruitful that the ministry has been involved in is activities on the social media platform such as the Facebook and the YouTube. Counseling and prayers have been offered to many from other parts of UK and different countries around the world.

The Main achievements and Performance during the period

The activities such as worship service, Bible studies, music practice and prayer meetings were very challenging in the past year because of the impact of COVID-19. Our main objective for the year was to maintain the habit of meeting by means of online channels such as zoom and other social network platforms as well as in person gatherings wherever legally possible in line with Government protocols. We also focused on praying for the United Kingdom as a whole for peace, good health and welfare of the citizens and also revival and blessing for our cities and nation.

Financial Review

Total receipts decreased to £4,302 for the year ended 31st December 2020 compared to the previous year (2019: £4,327). The total expenditure for the same period decreased to £1,646 compared to the previous year (2019: £1,723). The surplus for the year were £2,656 at the end of the year.

The Charity's Policy on Reserves

We do not normally have any financial obligations and our only essential need is to pay the rent for Sunday Worship Services. The trustees are in the process of formulating a Reserves Policy in the coming year since this is this is first year of operation.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1. Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Basis of Preparation

The financial statements have been prepared using the receipts and payments basis. Receipts and payments accounts are statements that summarise the movement of cash into and out of the charity during the financial year. In this context "cash" includes cash equivalents, for example, bank accounts where cash can be readily withdrawn to pay for debts as they become due.

Fund Accounting

Endowment Funds are funds, the capital of which must be maintained; only income arising from the investment may be used either as restricted or unrestricted funds depending upon the purpose for which the endowment was established.

Restricted Funds represent (a) income from trusts and endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest, and (b) donations or grants received for a specific purpose for which they were given. Any balance remaining unspent at the end of the period is carried forward as a balance on that fund.

Unrestricted Funds are general funds that can be used by the charity for any ordinary purposes. They include designated funds and free reserves. Free reserves are those funds available to be used at the discretion of the charity that have not been designated for any particular purpose and have not been invested in fixed assets.

2. Voluntary receipts

	Unrestricted	Restricted	
	Fund	Fund	Total
	£	£	£
Offerings	561		561
Tithes	3,489		3,489
Donations	252		252
Total	4,302		4,302

3. Expenses

The expenses are fully reflected in the Statement of Receipts and Payments.

4. Trustees' remuneration
