Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	This year has been focusing on reviving the work of the charity after a quiet period following from the resignation of previous trustees. To this end we have recruited 3 new trustees and engaged with wider organisations in Exeter to identify future projects and potential grant opportunities. This approach has also included engaging with wider initiatives such as The Devon Food Partnership in order to share intelligence on the challenges and potential for sustainable food projects in the Exeter region. This provides us with a basis to launch new project programmes in 2025.
