--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

We do everything possible to ensure that all people with SMA have access to effective treatments, health care and social support. We raise awareness of the disease, offer support to those affected and their near and dear ones, promote and support scientific research into causes and treatments, and provide necessary equipment and living aids.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

- Campaigned for access to treatment of Spinraza, Risdiplam and Zolgensma on NHS
- Worked on Managed Access Program for Spinraza and Risdiplam together with NHSE and NICE.
- Worked with pharmaceutical companies and regulatory agencies to further knowledge and support the introduction of further treatments
- Collaborated with SMA Reach, SMA Reach Adults and other Networks.
- Involved in governance of SMA Reach and SMA Reach Adults
- Ran number of educational webinars for those with and affected by SMA to help support them on key topics such as:
 - Physiotherapy
 - Respiratory care
 - Standards of care
- Provided support to families either by email or telephone as and when required
- Continued fundraising to further our goals

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

- We continue to represent families with SMA in various technical processes.
- We continue to participate in oversight committees for Managed Access Agreement for Spinraza and Risdiplam.
- We are now involved in final re-appraisal of treatments by NICE
- We have had a program of adult and children focused physiotherapy webinars hosted by physio Marion Main.
- We have offered a 24hr support and helpdesk service
- We continued to put our surveys and collection of data to submit for various appraisals
- We continue to advocate for patients who do not have access to treatments or who wish to access additional clinical trials.
- Amongst other things we now also engaged into new-born screening topics to ensure that families get diagnosis quickly and access treatments much faster.
- Written letters of support for community members for various issues

Section E

Financial review

Brief statement of the charity's policy on reserves

Reserves are carried through to next financial year to support further advancements in support for the SME community.

Details of any funds materially in deficit

N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal sources of funding is exclusively fundraising and generous donations by individuals. All expenditure is used to support the community and tools required to do so. No money is used in any way as remuneration of the trustees.
