OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the CIO 'Curly's Legacy' is for the public benefit, to relieve the needs of people with disabilities and other special needs, their families and carers in particular, but not exclusively by the provision of:

- a) Educational visits to a small farm holding and working farm tailored to their needs
- b) Respite Holidays
- c) Providing recreational facilities and opportunities that will enhance their personal life skills and improve social, emotional health and wellbeing.
- d) Offering work experience placements.
- e) Offering young people to gaining accredited learning through the farms training and development programmes.
- f) Apprenticeship work placements

Significant activities

Curly's Farm continues to welcome small groups of children, young people and adults on to the farm, each day to learn how to care for, support and safely work alongside animals and livestock. With each person being able to work towards recognised certification in the work they carry out on the farm. With young people having bespoke tailormade packages and experiences taking into consideration of their individual likes, medical needs and interests.

Curly's Caravan - a 3 bedroom static caravan based in Harts Holiday Park, Leysdown, has welcomed families throughout the year (except through lockdowns) and given FREE mini breaks ranging from 2-5 nights depending upon the families circumstances. During the year 30 families benefited from this, including a local home for adults with high needs.

Many schools, numerous children, young people and adults have attended Curly's Farm for educational learning, training and work experience.

As well as a high percentage of young people attending Curly's Farm being chronic school refusers we work with the schools and parents to encourage and enable them to remain in the education system.

Over the last year Curly's Farm has started an apprenticeship programme, taking on 5 young apprentices, 4 of which have an EHCP in place and have graduated from using Curly's Farm on a regular basis with their schools/provisions to being in a full-time apprenticeship. This has been achieved with the support of an apprenticeship grant spanning 3 years, and backing from a training and skills provider.

Public benefit

The Trustees are fully aware of the guidance & activities carried out by Curly's Legacy at Curly's Farm and Curly's Caravan to benefit the local community and that of the young people and adults access use of the services/activities and respite on offer. Through regular visits, formal and informal conversations, guidance that they offer.

" Termly full trustee meetings.

" Yearly AGM to complete small charity commission paperwork ensuring the charity is:

- o working with set parameters.
- o benefitting the public.
- o following guidance.

o Annual Governance Review

" Specific trustee(s) with a particular responsibility/interest/skill meeting such as finance, safeguarding etc.

OBJECTIVES AND ACTIVITIES

Volunteers

The contribution made by the volunteers at Curly's Farm & Curly's Caravan has been constant throughout this year. They assist with animal care, maintenance, and fund-raising activities.

Support in maintaining the grounds, small build 'one day' projects and in raising the profile of the charity at local community and county wide events.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

With greater community interest and a wider audience following the charity on social media has increased the number of schools, groups and adults that have access to the farm. In doing so, we are supporting more young people with a higher level of vulnerability, who have a greater chance of becoming involved in crime, with most being chronic school refusers or have SEMH difficulties, with some carry-over from lockdown.

The charity continues to support adults with learning difficulties in their learning and education. We are supporting an increasingly growing number of young people to remain in school/education via our accredited learning programme. Plus, our supportive and nurturing approach enables young people to reach their full potential.

Volunteers working at Curly's Farm have gained skills and abilities that have later been able to help them gaining meaningful employment. With some gaining employment with the charity itself.

Curly's Caravan has enabled vulnerable families to have a break, build relationships, rest and make lasting memories.

The community fully engages with Curly's Farm with many groups, after school clubs and activity days having waiting lists, due to their popularity.

FINANCIAL REVIEW

Financial position

Curly's Legacy remains in a positive financial situation.

The amount of reserves held are to ensure that the farms staff and animal feeds could be paid for the sum of THREE months. As a knock-on effect from unforeseen changes such as lockdown.

Principal funding sources

The charity's principal sources of funds (including any fundraising) - The principal source of funds come from charging schools, groups and individuals to access and use the farm for educational purposes. Funds are also gained by the selling of farm raised meat and eggs directly from the farm.

Curly's Farm also raises funds through selling 'Curly's Farm' merchandise; an animal adoption scheme where the public can adopt a farm animal for a year.

Fund raising events such as open days and seasonal events, for instance Christmas Carols, Easter events and Halloween walks..

Finally, the charity raises funds through donations and the seeking of grants.

for the Year Ended 31 March 2024

Approved by order of the board of trustees on 26 July 2024 and signed on its behalf by:

Ms K Adams - Trustee

Independent examiner's report to the trustees of Curly's Legacy

I report to the charity trustees on my examination of the accounts of Curly's Legacy (the Trust) for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the CIO 'Curly's Legacy' is for the public benefit, to relieve the needs of people with disabilities and other special needs, their families and carers in particular, but not exclusively by the provision of:

- a) Educational visits to a small farm holding and working farm tailored to their needs
- b) Respite Holidays
- c) Providing recreational facilities and opportunities that will enhance their personal life skills and improve social, emotional health and wellbeing.
- d) Offering work experience placements.
- e) Offering young people to gaining accredited learning through the farms training and development programmes.
- f) Apprenticeship work placements

Significant activities

Curly's Farm continues to welcome small groups of children, young people and adults on to the farm, each day to learn how to care for, support and safely work alongside animals and livestock. With each person being able to work towards recognised certification in the work they carry out on the farm. With young people having bespoke tailor-made packages and experiences taking into consideration of their individual likes, medical needs and interests.

Curly's Caravan - a 3 bedroom static caravan based in Harts Holiday Park, Leysdown, has welcomed families throughout the year (except through lockdowns) and given FREE mini breaks ranging from 2-5 nights depending upon the families circumstances. During the year 43 families benefited from this.

Many schools, numerous children, young people and adults have attended Curly's Farm for educational learning, training and work experience.

As well as a high percentage of young people attending Curly's Farm being chronic school refusers we work with the schools and parents to encourage and enable them to remain in the education system.

Public benefit

The Trustees are fully aware of the guidance & activities carried out by Curly's Legacy at Curly's Farm and Curly's Caravan to benefit the local community and that of the young people and adults access use of the services/activities and respite on offer. Through regular visits, formal and informal conversations, guidance that they offer.

" Termly full trustee meetings.

" Yearly AGM to complete small charity commission paperwork ensuring the charity is:

o working with set parameters.

o benefitting the public.

o following guidance.

o Annual Governance Review

" Specific trustee(s) with a particular responsibility/interest/skill meeting such as finance, safeguarding etc.

Volunteers

The contribution made by the volunteers at Curly's Farm & Curly's Caravan has been constant throughout this year. They assist with animal care, maintenance, and fund-raising activities.

Support in maintaining the grounds, small build 'one day' projects and in raising the profile of the charity at local community and county wide events.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

This year through better publicity and representation at local and county events, the charity has had an increased number of people access Curly's Caravan for a free respite holiday. Meaning more people, families and children, have benefitted from having a seaside holiday to make memories and quality time with their families and loved ones.

With greater community interest and a wider audience following the charity on social media has increased the number of schools, groups and adults that have access to the farm. In doing so, we are supporting more young people with a higher level of vulnerability, who have a greater chance of becoming involved in crime, with most being chronic school refusers or have SEMH difficulties, with some carry-over from lockdown.

The charity continues to support adults with learning difficulties in their learning and education. We are supporting an increasingly growing number of young people to remain in school/education via our accredited learning programme. Plus, our supportive and nurturing approach enables young people to reach their full potential.

Volunteers working at Curly's Farm have gained skills and abilities that have later been able to help them gaining meaningful employment. With some gaining employment with the charity itself.

Curly's Caravan has enabled vulnerable families to have a break, build relationships, rest and make lasting memories.

The community fully engages with Curly's Farm with many groups, after school clubs and activity days having waiting lists, due to their popularity.

In July 2022, the Isle of Sheppey lost its water supply for 3 days. The charity worked with water distribution points and distributed water to the immediate community surrounding the farm and wider community.

FINANCIAL REVIEW

Financial position

Curly's Legacy remains in a positive financial situation.

The amount of reserves held are to ensure that the farms staff and animal feeds could be paid for the sum of THREE months. As a knock-on effect from unforeseen changes such as lockdown.

Principal funding sources

The charity's principal sources of funds (including any fundraising) - The principal source of funds come from charging schools, groups and individuals to access and use the farm for educational purposes. Funds are also gained by the selling of farm raised meat and eggs directly from the farm.

Curly's Farm also raises funds through selling 'Curly's Farm' merchandise; an animal adoption scheme where the public can adopt a farm animal for a year.

Fund raising events such as, open days & Christmas Bizarre/Carols evening.

Finally, the charity raises funds through donations and the seeking of grants.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the CIO 'Curly's Legacy' is for the public benefit, to relieve the needs of people with disabilities and other special needs, their families and carers in particular, but not exclusively by the provision of:

- a) Educational visits to a small farm holding and working farm tailored to their needs
- b) Respite Holidays
- c) Providing recreational facilities and opportunities that will enhance their personal life skills and improve social, emotional health and wellbeing.
- d) Offering work experience placements.
- e) Offering young people to gaining accredited learning through the farms training and development programmes.

Significant activities

Curly's Farm welcomes small groups of children, young people and adults on to the farm, each day to learn how to care for, support and safely work alongside animals and livestock. With each person being able to work towards recognised certification in the work they carry out on the farm. With young people having bespoke tailormade packages and experiences taking into consideration of their individual likes, medical needs and interests.

The purchase of a £24,000.00 3 bedroom static caravan in 2020 has continued to enable numerous families to have respite holidays through the entire season of 2022. 57x families having a 'short break' at the seaside.

Many schools, numerous children, young people and adults have attended Curly's Farm for educational learning, training and work experience.

As well as a high percentage of young people attending Curly's Farm being chronic school refusers we work with the schools and parents to encourage and enable them to remain in the education system.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In supporting our community we have increased the number of schools, groups and adults that have access to the farm. In doing so we are supporting more young people and adults with learning difficulties in their learning and education. We are supporting an increasingly growing number of young people to remain in school/education via our accredited learning programme. Plus, our supportive and nurturing approach enables young people to reach their full potential.

Volunteers working at Curly's Farm have gained skills and abilities that have later been able to help them in gaining meaningful employment. With some gaining employment with the charity itself.

Curly's Caravan has enabled vulnerable families to have a break, build relationships, rest and make lasting memories.

The community fully engages with Curly's Farm with many groups, after school clubs and activity days having waiting lists, due to their popularity.

Curly's Farm, during lockdown, started a food bank to ensure that the most vulnerable were able to feed themselves and know that they had a point of contact during difficult times. Ever since the first UK lockdown and throughout we were able to combat loneliness in a small way. Since then the main food bank has now closed with all families being moved through a 'managed move' to a Trussell Trust ran food bank. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
CURLY'S LEGACY

Independent examiner's report to the trustees of Curly's Legacy

I report to the charity trustees on my examination of the accounts of Curly's Legacy (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of FCA which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I report to the trustees on my examination of the accounts of the Curly's Legacy (the Charity) for the year ended 31st March 2020.

Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
