Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity is still taking in a small number of sick wildlife due to the hospital size being decreased. The other trustees help but not in fundraising as they have other priorities and are elderly so that has been non-existent this year as there is only one trustee to run the hospital with no volunteers. Thankfully, a legacy enables the charity to run and allow for it to continue with its vital work. Despite low levels of help this year, the charity was still able to release 124 animals back to the wild, benefitting the environment and community.
