Para 1.17 and 1.19	<b>This is our third year of operation and our has been limited. Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p><b>This is our second year of operation and activity has been at a minimum this year. At the beginning of the year, the Covid-19 pandemic struck and all recreational activity came to a halt for the best part of the following year. During this time, the charity was largely dormant. We received a limited amount of charitable income which was pledged in the previous accounting year but received in this accounting year. We had a small amount of administrative costs but delivered no charitable work. This was, in effect, a year of hibernation whilst we waited for activity to resume after the Covid-19</b></p>

		<b>lockdown in the UK lifted.</b>

We have deliberately had a small amount of income and managed an even smaller amount of expenditure, keeping a steady amount in reserve.</b>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<b>We will aim to keep a small reserve at the end of each annual reporting period and, as the volume of activity in our programmes grows, we expect to keep a slightly larger reserve year on year. We will keep the reserve policy under review, taking into account any additional fixed costs and liabilities as the charity grows.</b>
