Achievements and Performance

SORP reference

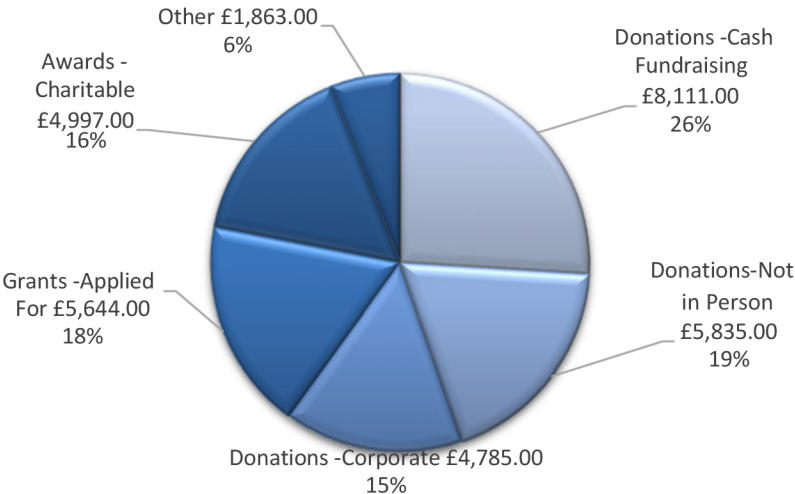

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>The team has continued to develop in leaps and bounds this year. Activation of the team by our statutory partners is now fully embedded using Sarcall, with several high-profile missing persons cases being worked.</p> <p>The team is now working on relocating to a new home in conjunction with the Laurie Brewis Trust. This project is the enabler for several key improvements to the team's capabilities, including capacity boosting, new technology and new resources. We hope to build on our newfound partnerships with several other organisations over the upcoming year.</p> <p>NCSAR has also hugely increased the number of hours spent on outreach and community engagement, now approaching 20% of our total volunteer hours, with youth and school groups being particularly keen to work with us.</p>

Financial Review

<p>Review of the charity's financial position at the end of the period</p>	<p>Para 1.21</p>	<p>The charity has had a reasonable income throughout the year, with several smaller grants being awarded, supported by a much larger number of donations from benevolent organisations and corporate support than seen in previous years.</p>

<p>A description of the principal risks facing the charity</p>	<p>Para 1.46</p>	<p>Whilst the decline of funding as a result of the cost of living crisis seems to have reached a plateau, we are still finding that grant awarding bodies are being much more particular about their applicants.</p> <p>Costs as a result of the changing world climate may have an impact going forward, but as yet we have not seen a marked impact on running costs.</p> <p>With new partnerships being forged and the profile of the team having been raised significantly this year, donations-in-kind have significantly increased, allowing us to eliminate a large proportion of the costs of development of the temporary base, however significant funding will be required to move to a bricks and mortar base in the next 10 years.</p>

Independent Examiner's Report to the Trustees

I report on the financial statements for the period ended 31 March 2025, which comprise the statement of financial activities, statement of financial position and the related notes.

Respective responsibilities of the trustees and examiner

The trustees are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 act) and that an independent examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act:

To follow the procedures laid down in the general Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act; and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements:
 - a. To keep account accounting records in accordance with section 130 of the 2011 Act, and
 - b. To prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met, or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Independent Examiner's Report to the Trustees**

I report on the financial statements for the period ended 31 March 2024, which comprise the statement of financial activities, statement of financial position and the related notes.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act, and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The team has now grown to just short of 40 members, following a very successful recruitment drive in late 2023. The team has also rebranded from its previous name of North Cumbria Rescue Response to North Cumbria Search and Rescue.</p> <p>The team is working towards being directly taskable by Cumbria Police via Sarcall, a web application used by all Mountain Rescue teams in Cumbria. This will enable a quicker alerting process for the team enabling prompt response times. We hope to have this completed in Q2 of 2024.</p> <p>The team has seen several significant callouts in the last 12 months with our service being held in high regard by partner agencies, as a result of the hard work and dedication of our team members.</p> <p>The team continues to run community outreach courses in Water Awareness and First Aid and have done several talks and demonstrations to youth and community groups in our operating area.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The team has gone from strength to strength over the last 12 months, despite being hampered by the cost-of-living crisis which is beginning to have a significant impact on the financial outlook of the team.</p> <p>The team is currently finalising training of the latest cohort of operational members which will upskill all in-water members to Module 3 Swift Water Rescue Technicians. This will conclude our ability to deploy a Defra Type C team to a flooding incident.</p> <p>The team has further expanded its skillset with an additional four qualified Search Team Leaders now available to be deployed.</p> <p>The team continues to run community outreach courses in Water Awareness and First Aid and have done several School visits to pupils to increase awareness. Development on a schools programme is underway.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity is in a positive financial state. Over the last twelve months, several funded projects have been successfully completed. Due to the cost-of-living crisis starting to take hold, our operational costs (particularly fuel) have increased significantly, with our donations received from the public seeing a heavy decline, only counteracted by additional fundraising efforts. The team is now seeing a large proportion of its annual income being in Restricted Funds for core development work, with the next 12 months focus being on increasing our unrestricted operational running reserves.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The team has had a very positive year, whilst still being hampered by Covid 19 in Q1 and Q2 of the year.</p> <p>The team officially went live for deployment on 1st November 2021 with the first operational deployment to assist Cumbria Police occurring on the 14th December 2021.</p> <p>Following this deployment, and with the support of grant funding and fundraising, the team has gone from strength to strength, increasing its numbers twofold, and provisioning additional equipment.</p> <p>Additionally due to the lack of support from parent organisation SLSGB, a decision was made to become a wholly independent charity which was completed by the purchasing of our own insurance package to enable the team to operate under our own cover where needed.</p> <p>It has been noted that the lack of adverse weather has led to the group focussing a larger portion of their efforts on training for searches of missing persons over a flood response, however the team continues to be operational at a Defra Type D team standard, with the upgrade to Type C almost complete.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity is in a positive financial state. The last 12 months has been hard to balance with Covid19 continuing to impact on funding. Covid19 Business grants have been crucial to the charity's operational ability for another year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to cover 6 months advance expected expenditure of fixed costs on a rolling monthly basis.
Amount of reserves held	Para 1.22	At time of publishing, 5138
Reasons for holding zero reserves	Para 1.22	NA
Details of fund materially in deficit	Para 1.24	None
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The team has had a turbulent year with the onset of the Covid 19 pandemic. It has caused all charity fundraising opportunities to cease in person and severely hampered training and exercising abilities throughout the years, as well as hindering operational development with external partners.</p> <p>The team has continued to apply for grant funding with significant amounts of funding being Covid19 Business Grants and other support funding, however the majority of general grant making organisations have turned all their funding towards responding groups for Covid19 of which we were not involved.</p> <p>The team has not been actively deployed this year due to Covid 19 and lack of significant weather events that may require our assistance. The team has progressed well with attaining type D team standard, with all water training now complete. We are now finalising equipment requirements and are on course to complete these prior to Q4 of 2021.</p>

The team has progressed well with attaining type D team standard, with all water training now complete. We are now finalising equipment requirements and are on course to complete these prior to Q4 of 2021.</p>
