Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The team has had a turbulent year with the onset of the Covid 19 pandemic. It has caused all charity fundraising opportunities to cease in person and severely hampered training and exercising abilities throughout the years, as well as hindering operational development with external partners.</p> <p>The team has continued to apply for grant funding with significant amounts of funding being Covid19 Business Grants and other support funding, however the majority of general grant making organisations have turned all their funding towards responding groups for Covid19 of which we were not involved.</p> <p>The team has not been actively deployed this year due to Covid 19 and lack of significant weather events that may require our assistance. The team has progressed well with attaining type D team standard, with all water training now complete. We are now finalising equipment requirements and are on course to complete these prior to Q4 of 2021.</p>
