Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The purpose of the charity is to advance the education of the arts for the public benefit in such ways as the charity trustees think fit, including by (but not limited to) providing: (a) musical workshops and training programs; and (b) access to music making facilities to people under the age of 25 from socially and economically disadvantaged backgrounds
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In January 2023 the charity started operating out of a new purpose-built studio, Studio 36 in Hackney. This long-term collaboration with Evolutionary Arts Hackney (EartH) further establishes the charity's position as a community music provider offering a range of services to local young people and building a number of new partnerships with local organisations. The public benefits of the charity's projects include but are not limited to: 1) Assisting young people ages 12 to 25 and advancing their education in contemporary music making across the year (both during the school day and after school, as well as school holidays), to ensure continued access 2) Providing access to professional level music making facilities in state-of-the-art Studio 36 and one-to-one support for music career development and in creating artist portfolio assets 3) Promoting community engagement by delivering these projects with partners across Hackney and Tottenham, including a long-term collaboration with EartH

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm that they have had guidance on the public benefit of Progress Sessions' activities and include a set of public benefit criteria in how they evaluate the ongoing work of the charity.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity's ambition to provide young people with access to high-quality music development opportunities has been further realised by the establishment of Studio 36. This long-term collaboration with EartH amplifies the charities impact by giving over a dedicated space that is a safe and nurturing environment for young people. The charity continues to deliver its core programmes providing young people with access to music making facilities and professional support as well as continuing to be a delivery partner for organisations like Hackney Empire and Selby Centre. The charity piloted a new programme with Pupil Referral Units to engage students who have been partially or fully excluded from mainstream education, helping them to work towards and complete Arts Award qualifications. This pilot programme was so successful that the partner organisation, The Pears Family School in Islington, has decided to commit to the project for the entirety of the next academic year.

Summary of the purposes of the charity as set out in its governing document	Para 1.17	The purpose of the charity is to advance the education of the arts for the public benefit in such ways as the charity trustees think fit, including by (but not limited to) providing: (a) musical workshops and training programs; and (b) access to music making facilities to people under the age of 25 from socially and economically disadvantaged backgrounds

This continued collaboration with Evolutionary Arts Hackney (EartH) further establishes the charity's position as a community music provider offering a range of services to local young people and building a number of new partnerships with local organisations. The public benefits of the charity's projects include but are not limited to: 1) Assisting young people ages 8 to 25 in advancing their education in contemporary music making across the year (both during the school day and after school, as well as school holidays) 2) Providing access to professional level music making facilities in state-of-the-art Studio 36 and one-to-one support for music career development and in creating artist portfolio assets 3) Promoting community engagement by delivering these projects with partners across Hackney, Tottenham and Tower Hamlets, including a long-term collaboration with EartH

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	- **PS Continued to develop and enhance now long term working relationship with two pupil referral units - The Pears Family School and LEAP**. In both cases contemporary music facilitation is used to build young people's confidence, re-engage them with education and, in the case of some with a history of school refusal, improve their school attendance. Family school students also receive arts award certification for a term's worth of participation - **PS launched and will continue to sustain an exciting young entrepreneurship project whereby experienced young studio engineers from disadvantaged backgrounds rent the space for well below the market rate and run their own sound engineering business out of the Studio 36**

		premises. This increases our reach to more young people engaging with the space and provides valuable employment and potential for - business growth for the young entrepreneurs - **PS continues to provide regular employment for young people** on all of our programmes and have offered a number of work experience opportunities in the financial year in question - **PS has strengthened its commitment to both ongoing engagement with historic participants and active recruitment of new participants.** We established an open access studio booking system whereby any young person who has engaged with the studio can continue to do so by joining a whatsapp group and booking one of around 10 3hr daytime slots offered per week. This whatsapp group now has 60 members and continues to grow demonstrating continued engagement with new participants. We continue to work with our local partners, in particular Hackney Empire, in recruiting new young people into our programmes

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	**The charity ended the year holding £49754 of unrestricted funding in reserve.**
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Trustees have given due regard to the financial condition of the charity and its ongoing financial obligations and attempt to maintain a minimum reserve level of £34,000. This represents approx. 6 months of unrestricted expenditure and would enable an orderly wind down of the charity. The current reserves level is £49,754 and the trustees consider this in line with the policy given current funding uncertainty due to economic environment in which the charity operates.
Amount of reserves held	Para 1.22	
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24

It is noted that the charity is in its infancy and consequently carries a degree of heightened financial risk.

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.		✓	
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓		
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	✓		
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.		✓	
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓		
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other			

		Yes	No	N/a
	benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.			✓
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	✓		
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	✓		
Redundancy cost	The charity made no redundancy payments during the reporting period.		✓	
Deferred income	No material item of deferred income has been included in the accounts.		✓	
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts		✓	
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	✓		

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.			✓
	The depreciation rates and methods used are disclosed in note 9.2.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5			✓
	They are valued at cost.			✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.			✓
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.			✓

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Para 1.17 and 1.19	From 01 April 2020 through 31 March 2021 the charity delivered one 10-week music-making training project with our funding partner Hackney Empire. On average we deliver 2-3 10-week projects during school term time a year. We had delivered one project from Jan-March 2020, until lockdown was put in place in response to the pandemic. This past year, despite the circumstances of the pandemic, we were able to deliver in-person programming for a smaller group of young people in Oct-Dec 2020, due to the Covid precautions we took. The public benefits of these projects include: 1) Assisting young people and advancing their education in contemporary music making during the pandemic, providing them access to a Covid-secure facility outside of their homes. 2) Providing access to professional level music making facilities and one-to-one support for music career development 3) Promoting community engagement by delivering these projects in collaboration with funding partner, Hackney Empire, a well-known theatre and charity.

Note 2 **Accounting policies**

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.		✓	
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓		
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.			✓
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓		
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.			✓
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts			✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.			✓
