Objectives and Activities

Summary of the purposes of the charity as set out in its governing document	Para 1.17	The purpose of the charity is to advance the education of the arts for the public benefit in such ways as the charity trustees think fit, including by (but not limited to) providing: (a) musical workshops and training programs; and (b) access to music making facilities to people under the age of 25 from socially and economically disadvantaged backgrounds
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	From 01 April 2020 through 31 March 2021 the charity delivered one 10-week music-making training project with our funding partner Hackney Empire. On average we deliver 2-3 10-week projects during school term time a year. We had delivered one project from Jan-March 2020, until lockdown was put in place in response to the pandemic. This past year, despite the circumstances of the pandemic, we were able to deliver in-person programming for a smaller group of young people in Oct-Dec 2020, due to the Covid precautions we took. The public benefits of these projects include: <ol style="list-style-type: none">1) Assisting young people and advancing their education in contemporary music making during the pandemic, providing them access to a Covid-secure facility outside of their homes.2) Providing access to professional level music making facilities and one-to-one support for music career development3) Promoting community engagement by delivering these projects in collaboration with funding partner, Hackney Empire, a well-known theatre and charity.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. 	Yes	No	N/a
