Education Powerhouse Charity

Charity Number 1182756.

4 Woodville Terrace

M40 9QH

Annual Report:

This report covers the period from 25 December 2024 to the 26 December 2025.

The charity has a very limited activity because of the economic downturn and reducing grant and donation and lack of skilled volunteers.

We couldn't find an appropriate venue for the supplementary course of mathematics, English and science to the disadvantaged people.

There was an increase of competition with other charities.

All application for donations or grant failed.

However, we managed to promote the Christianity by giving tract to more than 300 people.

The trustees will continue to review the charity's future and explore opportunities to resume charitable activities when circumstances allow.
