The charity trustees may not appoint any charity trustee if as a result the number of charity trustees would exceed the maximum.</i> During the accounting period Snow-Way had three appointed trustees. In addition, it has a Chief Executive Officer to undertake day to day operations. With regards to charity decision making and delegation of duties, the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Any decision may be taken either:</i> <i>• at a meeting of the charity trustees; or</i> <i>• by resolution in writing, or electronic form, agreed by a majority of all of the charity trustees, which may comprise either a single document or several documents containing the text of the resolution in like form to which the majority of all of the charity trustees has signified their agreement. Such a resolution shall be effective provided that: a copy of the proposed resolution has been sent, at or as near as reasonably practicable to the same time, to all of the charity trustees; and the majority of all of the charity trustees has signified agreement to the resolution in a document or documents which has or have been authenticated by their signature, by a statement of their identity accompanying the document or documents, or in such other manner as the charity trustees have previously resolved, and delivered to the CIO at its principal office or such other place as the trustees may resolve within 28 days of the circulation date.</i> <i>The charity trustees may delegate any of their powers or functions to a committee or committees, and, if they do, they shall determine the terms and conditions on which the delegation is made. The charity trustees may at any time alter those terms and conditions, or revoke the delegation.</i> <i>This power is in addition to the power of delegation in the General Regulations and any other power of delegation available to the charity trustees, but is subject to the following requirements:</i>

		(a) committee may consist of two or more persons, but at least one member of each committee must be a charity trustee; (b) the acts and proceedings of any committee must be brought to the attention of the charity trustees as a whole as soon as is reasonably practicable; and (c) the charity trustees shall from time to time review the arrangements which they have made for the delegation of their powers. The members of the CIO shall be its charity trustees for the time being. The only persons eligible to be members of the CIO are its charity trustees. Membership of the CIO cannot be transferred to anyone else. Any member and charity trustee who ceases to be a charity trustee automatically ceases to be a member of the CIO. The charity trustees may create associate or other classes of non-voting membership, and may determine the rights and obligations of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members. Other references in this constitution to “members” and “membership” do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations. Any decision to: (a) amend the constitution of the CIO; (b) amalgamate the CIO with, or transfer its undertaking to, one or more other CIOs, in accordance with the Charities Act 2011; or (c) wind up or dissolve the CIO (including transferring its business to any other charity) must be made by a resolution of the members of the CIO (rather than a resolution of the charity trustees). Those provisions require the resolution to be agreed by a 75% majority of those members voting at a general meeting, or agreed by all members in writing. Except where a resolution in writing must be agreed by all the members, such a resolution may be agreed by a simple majority of all the members who are entitled to vote on it. Such a resolution shall be effective provided that: (a) a copy of the proposed resolution has been sent to all the members eligible to vote; and (b) the required majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature, by a statement of their identity accompanying the document, or in such other manner as the CIO has specified. The resolution in writing may comprise several copies to which one or more members has signified their agreement. Eligibility to vote on the resolution is limited to members who are members of the CIO on the date when the proposal is first circulated. 2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

The charity's organisational structure and any wider network with which the charity works	Para 1.51	With regards to organisation structure, Section 9 of the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Number of charity trustees</i> <i>(a) There must be at least three charity trustees. If the number falls below this</i>

		<i>minimum, the remaining trustee or trustees may act only to call a meeting of the charity trustees, or appoint a new charity trustee.</i> <i>(b) The maximum number of charity trustees is 12. The charity trustees may not appoint any charity trustee if as a result the number of charity trustees would exceed the maximum.</i> During the accounting period Snow-Way had three appointed trustees. In addition, it has a Chief Executive Officer to undertake day to day operations. With regards to charity decision making and delegation of duties, the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Any decision may be taken either:</i> <i>• at a meeting of the charity trustees; or</i> <i>• by resolution in writing, or electronic form, agreed by a majority of all of the charity trustees, which may comprise either a single document or several documents containing the text of the resolution in like form to which the majority of all of the charity trustees has signified their agreement. Such a resolution shall be effective provided that: a copy of the proposed resolution has been sent, at or as near as reasonably practicable to the same time, to all of the charity trustees; and the majority of all of the charity trustees has signified agreement to the resolution in a document or documents which has or have been authenticated by their signature, by a statement of their identity accompanying the document or documents, or in such other manner as the charity trustees have previously resolved, and delivered to the CIO at its principal office or such other place as the trustees may resolve within 28 days of the circulation date.</i> <i>The charity trustees may delegate any of their powers or functions to a committee or committees, and, if they do, they shall determine the terms and conditions on which the delegation is made. The charity trustees may at any time alter those terms and conditions, or revoke the delegation.</i> <i>This power is in addition to the power of delegation in the General Regulations and any other power of delegation available to the charity trustees, but is subject to the following requirements:</i>

		(a) committee may consist of two or more persons, but at least one member of each committee must be a charity trustee; (b) the acts and proceedings of any committee must be brought to the attention of the charity trustees as a whole as soon as is reasonably practicable; and (c) the charity trustees shall from time to time review the arrangements which they have made for the delegation of their powers. The members of the CIO shall be its charity trustees for the time being. The only persons eligible to be members of the CIO are its charity trustees. Membership of the CIO cannot be transferred to anyone else. Any member and charity trustee who ceases to be a charity trustee automatically ceases to be a member of the CIO. The charity trustees may create associate or other classes of non-voting membership, and may determine the rights and obligations of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members. Other references in this constitution to “members” and “membership” do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations. Any decision to: (a) amend the constitution of the CIO; (b) amalgamate the CIO with, or transfer its undertaking to, one or more other CIOs, in accordance with the Charities Act 2011; or (c) wind up or dissolve the CIO (including transferring its business to any other charity) must be made by a resolution of the members of the CIO (rather than a resolution of the charity trustees). Decisions of the members may be made either: (a) by resolution at a general meeting; or (b) by resolution in writing, in accordance with sub-clause (4) of this clause. Any decision specified in sub-clause (1) of this clause must be made in accordance with the provisions of clause [28] (amendment of constitution), clause [29] (Voluntary winding

		up or dissolution), or the provisions of the Charities Act 2011, the General Regulations or the Dissolution Regulations as applicable. Those provisions require the resolution to be agreed by a 75% majority of those members voting at a general meeting, or agreed by all members in writing. Except where a resolution in writing must be agreed by all the members, such a resolution may be agreed by a simple majority of all the members who are entitled to vote on it. Such a resolution shall be effective provided that: (a) a copy of the proposed resolution has been sent to all the members eligible to vote; and (b) the required majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature, by a statement of their identity accompanying the document, or in such other manner as the CIO has specified. The resolution in writing may comprise several copies to which one or more members has signified their agreement. Eligibility to vote on the resolution is limited to members who are members of the CIO on the date when the proposal is first circulated. Policies and procedures adopted for the induction and training of trustees	Para 1.51	With regards to new trustees, Section 11 and 10 of the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>The charity trustees will make available to each new charity trustee, on or before his or her first appointment:</i> <i>(a) copy of the current version of this constitution; and</i> <i>(b) copy of the CIO's latest Trustees' Annual Report and statement of accounts.</i>
The charity's organisational structure and any wider network with which the charity works	Para 1.51	With regards to organisation structure, Section 9 of the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Number of charity trustees</i> <i>(a) There must be at least three charity trustees. If the number falls below this</i>

		<i>minimum, the remaining trustee or trustees may act only to call a meeting of the charity trustees, or appoint a new charity trustee.</i> <i>(b) The maximum number of charity trustees is 12. The charity trustees may not appoint any charity trustee if as a result the number of charity trustees would exceed the maximum.</i> During the accounting period Snow-Way had three appointed trustees. In addition, it has a Chief Executive Officer to undertake day to day operations. With regards to charity decision making and delegation of duties, the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Any decision may be taken either:</i> <i>• at a meeting of the charity trustees; or</i> <i>• by resolution in writing, or electronic form, agreed by a majority of all of the charity trustees, which may comprise either a single document or several documents containing the text of the resolution in like form to which the majority of all of the charity trustees has signified their agreement. Such a resolution shall be effective provided that: a copy of the proposed resolution has been sent, at or as near as reasonably practicable to the same time, to all of the charity trustees; and the majority of all of the charity trustees has signified agreement to the resolution in a document or documents which has or have been authenticated by their signature, by a statement of their identity accompanying the document or documents, or in such other manner as the charity trustees have previously resolved, and delivered to the CIO at its principal office or such other place as the trustees may resolve within 28 days of the circulation date.</i> <i>The charity trustees may delegate any of their powers or functions to a committee or committees, and, if they do, they shall determine the terms and conditions on which the delegation is made. The charity trustees may at any time alter those terms and conditions, or revoke the delegation.</i> <i>This power is in addition to the power of delegation in the General Regulations and any other power of delegation available to the charity trustees, but is subject to the following requirements:</i>

		(a) committee may consist of two or more persons, but at least one member of each committee must be a charity trustee; (b) the acts and proceedings of any committee must be brought to the attention of the charity trustees as a whole as soon as is reasonably practicable; and (c) the charity trustees shall from time to time review the arrangements which they have made for the delegation of their powers. The members of the CIO shall be its charity trustees for the time being. The only persons eligible to be members of the CIO are its charity trustees. Membership of the CIO cannot be transferred to anyone else. Any member and charity trustee who ceases to be a charity trustee automatically ceases to be a member of the CIO. The charity trustees may create associate or other classes of non-voting membership, and may determine the rights and obligations of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members. Other references in this constitution to “members” and “membership” do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations. Any decision to: (a) amend the constitution of the CIO; (b) amalgamate the CIO with, or transfer its undertaking to, one or more other CIOs, in accordance with the Charities Act 2011; or (c) wind up or dissolve the CIO (including transferring its business to any other charity) must be made by a resolution of the members of the CIO (rather than a resolution of the charity trustees). Decisions of the members may be made either: (a) by resolution at a general meeting; or (b) by resolution in writing, in accordance with sub-clause (4) of this clause. Any decision specified in sub-clause (1) of this clause must be made in accordance with the provisions of clause [28] (amendment of constitution), clause [29] (Voluntary winding

		up or dissolution), or the provisions of the Charities Act 2011, the General Regulations or the Dissolution Regulations as applicable. Those provisions require the resolution to be agreed by a 75% majority of those members voting at a general meeting, or agreed by all members in writing. Except where a resolution in writing must be agreed by all the members, such a resolution may be agreed by a simple majority of all the members who are entitled to vote on it. Such a resolution shall be effective provided that: (a) a copy of the proposed resolution has been sent to all the members eligible to vote; and (b) the required majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature, by a statement of their identity accompanying the document, or in such other manner as the CIO has specified. The resolution in writing may comprise several copies to which one or more members has signified their agreement. Eligibility to vote on the resolution is limited to members who are members of the CIO on the date when the proposal is first circulated. With regards to arrangement of staff payment, section 12 of the 'Snow-Way Financial Management and control policy and procedure' document states that: <i>There will be a clear trail to show the authority and reason for payment. SNOW-WAY will handle payroll administration will maintain records of transactions. All employees will be paid within the PAYE, National Insurance rules. Salaries will be processed using BACS systems. The Chief Officer or Treasurer will sign off the monthly submission to the payroll company.</i> <i>All staff appointments will be authorised by the Chief Officer in consultation with officers of SNOW-WAY. All appointments will be reported to the trustees.</i> <i>All contracts with freelance suppliers will be on the basis of SNOW-WAY's standard consultancy agreement or an alternative that covers the main requirements in the standard consultancy agreement and is subject to the agreement of the Chief Officer.</i>

		<i>Freelance contracts will be subject to the authorisation limits outlined in section 10 above.</i>

In addition, it has a Chief Executive Officer to undertake day to day operations. With regards to charity decision making and delegation of duties, the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Any decision may be taken either:</i> <i>• at a meeting of the charity trustees; or</i> <i>• by resolution in writing, or electronic form, agreed by a majority of all of the charity trustees, which may comprise either a single document or several documents containing the text of the resolution in like form to which the majority of all of the charity trustees has signified their agreement. Such a resolution shall be effective provided that: a copy of the proposed resolution has been sent, at or as near as reasonably practicable to the same time, to all of the charity trustees; and the majority of all of the charity trustees has signified agreement to the resolution in a document or documents which has or have been authenticated by their signature, by a statement of their identity accompanying the document or documents, or in such other manner as the charity trustees have previously resolved, and delivered to the CIO at its principal office or such other place as the trustees may resolve within 28 days of the circulation date.</i> <i>The charity trustees may delegate any of their powers or functions to a committee or committees, and, if they do, they shall determine the terms and conditions on which the delegation is made. The charity trustees may at any time alter those terms and conditions, or revoke the delegation.</i> <i>This power is in addition to the power of delegation in the General Regulations and any other power of delegation available to the charity trustees, but is subject to the following requirements:</i>

		(a) committee may consist of two or more persons, but at least one member of each committee must be a charity trustee; (b) the acts and proceedings of any committee must be brought to the attention of the charity trustees as a whole as soon as is reasonably practicable; and (c) the charity trustees shall from time to time review the arrangements which they have made for the delegation of their powers. The members of the CIO shall be its charity trustees for the time being. The only persons eligible to be members of the CIO are its charity trustees. Membership of the CIO cannot be transferred to anyone else. Any member and charity trustee who ceases to be a charity trustee automatically ceases to be a member of the CIO. The charity trustees may create associate or other classes of non-voting membership, and may determine the rights and obligations of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members. Other references in this constitution to “members” and “membership” do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations. Any decision to: (a) amend the constitution of the CIO; (b) amalgamate the CIO with, or transfer its undertaking to, one or more other CIOs, in accordance with the Charities Act 2011; or (c) wind up or dissolve the CIO (including transferring its business to any other charity) must be made by a resolution of the members of the CIO (rather than a resolution of the charity trustees). Decisions of the members may be made either: (a) by resolution at a general meeting; or (b) by resolution in writing, in accordance with sub-clause (4) of this clause. Any decision specified in sub-clause (1) of this clause must be made in accordance with the provisions of clause [28] (amendment of constitution), clause [29] (Voluntary winding

		up or dissolution), or the provisions of the Charities Act 2011, the General Regulations or the Dissolution Regulations as applicable. Those provisions require the resolution to be agreed by a 75% majority of those members voting at a general meeting, or agreed by all members in writing. Except where a resolution in writing must be agreed by all the members, such a resolution may be agreed by a simple majority of all the members who are entitled to vote on it. Such a resolution shall be effective provided that: (a) a copy of the proposed resolution has been sent to all the members eligible to vote; and (b) the required majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature, by a statement of their identity accompanying the document, or in such other manner as the CIO has specified. The resolution in writing may comprise several copies to which one or more members has signified their agreement. Eligibility to vote on the resolution is limited to members who are members of the CIO on the date when the proposal is first circulated. With regards to arrangement of staff payment, section 12 of the 'Snow-Way Financial Management and control policy and procedure' document states that: <i>There will be a clear trail to show the authority and reason for payment. SNOW-WAY will handle payroll administration will maintain records of transactions. All employees will be paid within the PAYE, National Insurance rules. Salaries will be processed using BACS systems. The Chief Officer or Treasurer will sign off the monthly submission to the payroll company.</i> <i>All staff appointments will be authorised by the Chief Officer in consultation with officers of SNOW-WAY. All appointments will be reported to the trustees.</i> <i>All contracts with freelance suppliers will be on the basis of SNOW-WAY's standard consultancy agreement or an alternative that covers the main requirements in the standard consultancy agreement and is subject to the agreement of the Chief Officer.</i>

		<i>Freelance contracts will be subject to the authorisation limits outlined in section 10 above.</i>

If the organisation is to subsidise the cost of any work from reserves or earned income then this must be approved by the trustees. The Chief Officer must approve bids and tenders to a value up to £15,000. The trustees who are officers (i.e. chair and treasurer) of SNOW-WAY must approve bids and tenders to a value of up to £60,000. Bids and tenders to a value of over £60,000 require the prior approval of the trustee board. Details of all funding bids and tenders will be provided to the trustee board.</i> <i>SNOW-WAY may be the partner in a bid submitted by another organisation only if this is consistent with the objectives of SNOW-WAY as set out in our Constitution. The partnership arrangements must have the prior approval of the Chief Officer or, in the absence of the Chief Officer, the Chair. All partnership arrangements will be reported to the trustee board. When SNOW-WAY will receive funding from partnership arrangements and take on financial commitments a written agreement must be in place covering the financial arrangements. In these circumstances the funding that SNOW-WAY receives should generally be based on recovery of the full cost of the proposed work. If the organisation is to subsidise the cost of work from reserves or earned income then this must be approved by the trustee board The Chief Officer must approve partnership arrangements to a value up to £15,000. Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In the period from 7 April 2020 to 6 April 2021 Snow-Way achieved the following: - SNOW-WAY liaised with a local secondary school and agreed a partnership to run the SNOW-WAY group therapy programme with their students. With regard to making a difference to the circumstances of Snow-Way's beneficiaries and the wider benefits to society as a whole, as a result of the COVID 19 pandemic the Snow-Way trustees and executive team paused the roll out of the Snow-Way group therapy programme. The risk assessments undertaken concluded that it was unsafe for beneficiaries, volunteers and staff to run a face to face group therapy programmes during the COVID 19 pandemic. This was in line with the advice from Dorset Child and Adolescent Mental Health Services at the time. Consequently, as a result of the COVID 19 pandemic, during this period Snow-Way did not make a difference to any beneficiaries or wider society.

Consideration will be given to future strategy, potential redundancy liabilities, and any other significant factors that should be taken into account were SNOW-WAY to close or move to new premises. The specific reserves policy including any designation of reserves for specific purposes will be agreed by trustees on an annual basis.</i> The trustees deemed that it was appropriate to hold the current balance of £82.16 as a reserve for the accounting period, based on the current suspension of the Snow-Way Group Therapy Programme as a result of the COVID 19 pandemic.

The charity trustees may not appoint any charity trustee if as a result the number of charity trustees would exceed the maximum.</i> During the accounting period Snow-Way had three appointed trustees. In addition, it has a Chief Executive Officer to undertake day to day operations. With regards to charity decision making and delegation of duties, the Snow-Way 'Constitution of the Charitable Incorporated Organisation' states the following: <i>Any decision may be taken either:</i> <i>• at a meeting of the charity trustees; or</i> <i>• by resolution in writing, or electronic form, agreed by a majority of all of the charity trustees, which may comprise either a single document or several documents containing the text of the resolution in like form to which the majority of all of the charity trustees has signified their agreement. Such a resolution shall be effective provided that: a copy of the proposed resolution has been sent, at or as near as reasonably practicable to the same time, to all of the charity trustees; and the majority of all of the charity trustees has signified agreement to the resolution in a document or documents which has or have been authenticated by their signature, by a</i>

	<i>statement of their identity accompanying the document or documents, or in such other manner as the charity trustees have previously resolved, and delivered to the CIO at its principal office or such other place as the trustees may resolve within 28 days of the circulation date.</i> <i>The charity trustees may delegate any of their powers or functions to a committee or committees, and, if they do, they shall determine the terms and conditions on which the delegation is made. The charity trustees may at any time alter those terms and conditions, or revoke the delegation.</i> <i>This power is in addition to the power of delegation in the General Regulations and any other power of delegation available to the charity trustees, but is subject to the following requirements:</i> <i>(a) committee may consist of two or more persons, but at least one member of each committee must be a charity trustee;</i> <i>(b) the acts and proceedings of any committee must be brought to the attention of the charity trustees as a whole as soon as is reasonably practicable; and</i> <i>(c) the charity trustees shall from time to time review the arrangements which they have made for the delegation of their powers.</i> <i>The members of the CIO shall be its charity trustees for the time being. The only persons eligible to be members of the CIO are its charity trustees. Membership of the CIO cannot be transferred to anyone else.</i> <i>Any member and charity trustee who ceases to be a charity trustee automatically ceases to be a member of the CIO.</i> <i>The charity trustees may create associate or other classes of non-voting membership, and may determine the rights and obligations of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members.</i> <i>Other references in this constitution to “members” and “membership” do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations.</i> <i>Any decision to:</i>

		<i>(a) amend the constitution of the CIO; (b) amalgamate the CIO with, or transfer its undertaking to, one or more other CIOs, in accordance with the Charities Act 2011; or (c) wind up or dissolve the CIO (including transferring its business to any other charity) must be made by a resolution of the members of the CIO (rather than a resolution of the charity trustees).</i> <i>Decisions of the members may be made either: (a) by resolution at a general meeting; or (b) by resolution in writing, in accordance with sub-clause (4) of this clause.</i> <i>Any decision specified in sub-clause (1) of this clause must be made in accordance with the provisions of clause [28] (amendment of constitution), clause [29] (Voluntary winding up or dissolution), or the provisions of the Charities Act 2011, the General Regulations or the Dissolution Regulations as applicable. Those provisions require the resolution to be agreed by a 75% majority of those members voting at a general meeting, or agreed by all members in writing.</i> <i>Except where a resolution in writing must be agreed by all the members, such a resolution may be agreed by a simple majority of all the members who are entitled to vote on it. Such a resolution shall be effective provided that:</i> <i>(a) a copy of the proposed resolution has been sent to all the members eligible to vote; and (b) the required majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature, by a statement of their identity accompanying the document, or in such other manner as the CIO has specified. The resolution in writing may comprise several copies to which one or more members has signified their agreement. Eligibility to vote on the resolution is limited to members who are members of the CIO on the date when the proposal is first circulated.</i> <i>With regards to arrangement of staff payment, section 12 of the 'Snow-Way Financial Management and control policy and procedure' document states that:</i>

		<i>There will be a clear trail to show the authority and reason for payment. SNOW-WAY will handle payroll administration will maintain records of transactions. All employees will be paid within the PAYE, National Insurance rules. Salaries will be processed using BACS systems. The Chief Officer or Treasurer will sign off the monthly submission to the payroll company.</i> <i>All staff appointments will be authorised by the Chief Officer in consultation with officers of SNOW-WAY. All appointments will be reported to the trustees.</i> <i>All contracts with freelance suppliers will be on the basis of SNOW-WAY's standard consultancy agreement or an alternative that covers the main requirements in the standard consultancy agreement and is subject to the agreement of the Chief Officer. Freelance contracts will be subject to the authorisation limits outlined in section 10 above.</i>
