Our objectives are to advance the education and to improve support for people (in England) who have experience of (or at risk of): The justice system, care system, homelessness and/or sex work (or other similar risks for social exclusion). This is done by: providing tutoring and qualifications in maths, English and vocational subjects, raising awareness of educational needs of the beneficiaries, and referring beneficiaries to other sources of help.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our main activities during the period of this report included:

- provision of training and information packs regarding hidden differences that their beneficiaries may have, such as: autism, dyslexia, ADHD, foetal alcohol spectrum disorder and brain injury.
- Provision of professional diagnosis for autism, ADHD and dyslexia.
- Provision of support and advice for education sessions.
- Provision of Covid 19 related emergency support and advice for beneficiaries

We confirm that in making decisions about the charities work, the trustees have taken account of charity commission guidance on public benefit.

Summary of the main achievements of the charity during the year

2020 presented many challenges due to the Covid -19 situation. Our volunteers have needed to find new ways to support our beneficiaries and the new challenges they have faced. For example support to set up online shopping, sourcing PPE and hygiene equipment, and food parcels. We have also had to re-think our training and support workshops to be delivered online, which will now allow us to cover a greater geographical area as funding allows.
