TRUSTEES' REPORT FOR THE YEAR ENDED 30TH NOVEMBER 2021

BACKGROUND

THE PANDEMIC AND ITS IMPACT

The operational period that this report covers was eclipsed by the COVID-9 pandemic. It, therefore, goes without saying, that the negative impact of this global situation means that the primary aim was the charity's endurance in view of our resources. However, this was also an opportunity to demonstrate our capacity to deliver vitally needed services under challenging circumstances.

During this period, the following issues were addressed and services delivered:

- Advocacy and Support Pilot project for Cancer Patients and Carers – completed.
- Cancer and wellbeing during the Covid-19 pandemic – Black Caribbean and Black African cancer patients and carers - completed and published.
- A change of the charity's name.

ADVOCACY AND SUPPORT PILOT PROJECT FOR CANCER PATIENTS AND CARERS – COMPLETED

This pilot service was originally planned to begin in February 2020; however, it was decided that a delay would be advisable in view of the pandemic. The project was subsequently initiated in January 2021. Following a four-month development period, the service began in May 2021. The outcomes for this initiative will be published in the charity's evaluation report for the relevant operational year from the report produced in December 2021.

EVALUATION PURPOSE AND AIMS:

While B'Me Against Cancer (B'Me) is a national organisation, the B'Me Advocacy Project has been conceived as a pilot demonstration project to provide a service to black and minority ethnic cancer patients and carers living in the City of Nottingham. B'Me commissioned Dr Sophia Skyers of CIBS IQ Research to undertake a qualitative service evaluation of the project, from the perspective of the service users, and from the perspective of those employed in its planning and delivery. The purpose of the evaluation is to assist B'Me in defining a model for expanded long-term delivery of advocacy as a core service. The terms for the evaluation as agreed by B'Me were:

- To examine the experiences of patients and carers receiving services through the B'Me Advocacy Project.
- To examine the experiences of professionals employed by or connecting with the B'Me Advocacy Project as it relates to patients and carers.
- To explore the promotion of the B'Me Advocacy Project, and the services it provides.
- To evaluate the effectiveness of the B'Me Advocacy Project training module and its delivery.
- To explore the linkages between the B'Me Advocacy Project and access to other services and support from a patient and practitioner perspective.
- To explore what might be done differently to enhance the effectiveness of the B'Me Advocacy Project to embed in future practice.

The outcomes of this initiative will be made evident in the Evaluation report due December 2021.

TRUSTEES' REPORT (Continued) FOR THE YEAR ENDED 30TH NOVEMBER 2021

CANCER AND WELLBEING DURING THE COVID-19 PANDEMIC - BLACK CARIBBEAN AND BLACK AFRICAN CANCER PATIENTS AND CARERS - COMPLETED AND PUBLISHED

In June 2020, BME Cancer Communities (BMECC) commissioned CIBS IQ Research and Consulting to undertake a small-scale open-ended survey and to develop some case studies that explored the impact of the COVID-19 pandemic on Black patients living with a diagnosis of cancer.

BMECC is a charity that provides advocacy, and a range of support services for patients and carers who have been affected by cancer. As part of its work, the organisation was seeking to understand more about the experiences of Black cancer patients and carers and their wellbeing during the COVID-19 lockdown.

The report was completed in February 2021 and is published on our website: <https://www.bmecancer.com/index.php/bme-related-publications>

CHANGE OF OPERATIONAL NAME

It was agreed by the trustees that a change of the charity's registered and operational name from 'BME Cancer Communities' to 'B'Me Against Cancer' would have a positive impact, thereby expressing our ethos, "Put yourself in my place against cancer." This would also incorporate the use of the B'Me brand.

This was resolved by the board of trustees on 4th October 2021. However, due to a data input error, only one of the two elements was registered with the Charity Commission. The operational name was duly changed, but the registered name was not. Due to the stipulation that the change had to be made during a specifically limited period following the resolution, another resolution will be required to affect this change. This matter will be resolved at the first opportunity at a meeting of the

FUTURE PLANS

The Advocacy and Support Service pilot ended 31st October 2021. Our original aim was to have the evaluation report completed three months prior to the project end date so that funding applications for extension and expansion could be submitted to various sources. This would enable us to maintain the service even if in a limited way. However, due to the negative impact of the lockdown, this was not feasible. We will continue supporting existing service users as much as remaining resources allow until funding for a long-term service is secured.

FUNDRAISING

It is clear that the focus at this juncture should be on fundraising, both restricted and unrestricted so we can afford the much-needed human resources for the longer term.

Hence, the emphasis will be on fundraising for which we should devise a strategy, engage a fundraising lead and capitalise on our B'Me brand and other intellectual assets in the coming months. The measures that we now need to take are foundational, in that, a solid financial base is needed to build on what has already been achieved, e.g. the completion of our 1st financial audit and the advocacy pilot project etc.

OUR BUSINESS PLAN

We will therefore revise our existing business plan accordingly to include fundraising as a primary initiative, and re-evaluate our core services and activities after the pandemic.

TRUSTEES' REPORT (Continued)
FOR THE YEAR ENDED 30TH NOVEMBER 2021

TRUSTEES' RESPONSIBILITIES

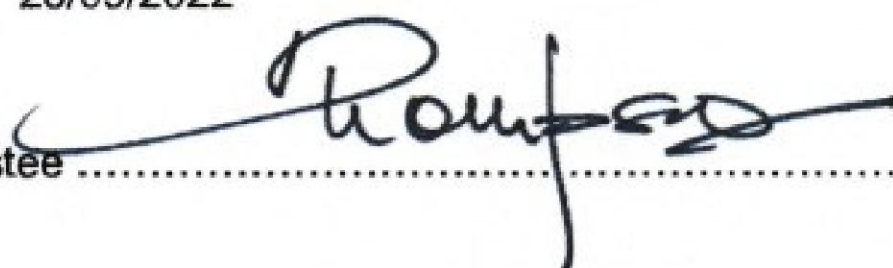

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the CIO and of the surplus of the CIO for that period. In preparing those financial statements the trustees are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue in existence.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the CIO. They are also responsible for safeguarding the assets of the CIO and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BME CANCER COMMUNITIES

(Charitable Incorporated Organisation)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH NOVEMBER 2021

1. ACCOUNTING POLICIES

Basis of Preparation & Assessment of Going Concern

Basis of Preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Incoming Resources

Recognition of Incoming Resources

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability

Incoming Resources with Related Expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the SOFA.

Grants and Donations

Grants and Donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Contractual Income and Performance Related Grants

This is only included in the SOFA once the related goods or services have been delivered.

Gifts in Kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as incoming resources when receivable.

Donated Services and Facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer Help

The value of any voluntary help received is not included in the accounts.

Investment Income

This is included in the accounts when receivable.

Investment Gains and Losses

This included any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

BME CANCER COMMUNITIES

(Charitable Incorporated Organisation)

NOTES TO THE FINANCIAL STATEMENTS (continued) FOR THE YEAR ENDED 30TH NOVEMBER 2021

1. ACCOUNTING POLICIES (continued)

Expenditure and Liabilities

Liability Recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance Costs

Include costs of the preparation and examination of statutory accounts, the costs of the trustees meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with Performance Conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Unrestricted funds

These funds can be used for the general objectives of the charity as set out in the trustees report. The movements of the unrestricted funds are given in the Statement of Financial Activities.

Restricted funds

These funds are where the donor has specified a purpose for the donation made. These restrictions often arise as a result of appeals for special offerings for specific purposes.

Designated funds

These funds are funds set aside by the trustees out of unrestricted general funds for particular purposes or projects.

Fixed Assets

Fixed Assets are capitalised if they can be used for more than one year and cost at least £1,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation Expense

Depreciation is calculated at a rate to write off the cost of tangible fixed assets over their estimated useful lives. The rates applied are as follows:

| | |
|----------------------------------|------------------------------|
| Fixtures, Fittings and Equipment | 25% - Reducing Balance Basis |
|----------------------------------|------------------------------|

2. TANGIBLE FIXED ASSETS

The CIO held no fixed assets during this or the previous financial period.

The annual commitments under non-cancelling operating leases and capital commitments are as follows:

30th November 2021 : None

30th November 2020 : None

The Charity operates a PAYE scheme to pay all members of employed staff and no employees received emoluments in excess of £60,000. The Charity also employs members of staff on a self employed basis and is therefore not liable for National Insurance Costs.

13. TRUSTEES AND OTHER RELATED PARTIES

During the financial year Trustee Mr Lindsey Thompson received £6,294 (2020/19:£1,740) in staff costs in his capacity as COO for BME Cancer Communities in furthering the Charity's objects.

During the financial year Mrs Rose Thompson (Spouse to Trustee Lindsey Thompson) received £8,165 (2020/19:£2,686) in staff costs in her capacity as CEO for BME Cancer Communities in furthering the Charity's objects.

During the financial year Miss Cara Thompson (Daughter to Trustee Lindsey Thompson) received £3,948 (2020/19:£310) in staff costs in her capacity as social media consultant for BME Cancer Communities in furthering the Charity's objects.

No other payments were made to trustees or any persons connected with them during this financial period. No other material transaction took place between the organisation and a trustee or any person connected with them.

14. RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

15. RESERVES POLICY

The Trustees have considered the level of reserves they wish to retain, appropriate to the CIO's needs. This is based on the CIO's size and the level of financial commitments held. The Trustees aim to ensure the CIO will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Trustees will endeavour not to set aside funds unnecessarily.

16. PUBLIC BENEFIT

The CIO acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the CIO has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the CIO should undertake

BME CANCER COMMUNITIES

(Charitable Incorporated Organisation)

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/ members of BME Cancer Communities on the accounts for the year ended 30th November 2021 set out on pages 7 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
