- trustees' consideration of major risks and the system and procedures to manage them.

HSLSC is affiliated with Surf Life Saving GB (SLSGB) that is the national governing body of surf lifesaving in Great Britain. This provides us with a procedural management training framework for our trustees and volunteers which includes safeguarding and risk assessment, as well as a structured programme for lifesaving for our members. In addition, all trustees and members pay an annual subscription to SLSGB that provides insurance for our participating members.

SLSGB was established to save lives on Britain's beaches and engage in search and rescue activities and to provide education in all areas relating to lifesaving, sea, inland waters including flood search and rescue/response and resuscitation for the benefit of the public by i) their provision of support for and maintenance of a network of affiliated clubs with similar objects ii) the promotion and improvement of national and international standards, qualifications and training in water safety, water safety event management and training, search and rescue, lifesaving, coaching, resuscitation and first aid iii) the promotion and organisation of beach and pool training, water sports, lifesaving and search and rescue activities for training, recreation and enjoyment that encourage fitness, team work, responsibility and excellence in pursuit of these objects iv) the promotion and the provision of voluntary lifesaving, search and rescue services to the community and public at large.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

Hove Surf Life Saving Club was established with the main objective of saving lives and preventing drowning for the benefit of the public in Brighton & Hove and surrounding areas. Its aim is to achieve this by providing education and training in all areas relating to lifesaving, rescue and resuscitation. Our membership is focused on 8 to 16 year olds.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Main activities are:

The promotion and provision of Surf Lifesaving qualifications and training in water safety, rescue, lifesaving, coaching, resuscitation and first aid;

The promotion and organisation of lifesaving and rescue, beach and pool training, water sports and lifesaving activities for training, recreation and enjoyment that encourage fitness, team work, responsibility and excellence in pursuit of these objects;

The promotion of and the provision of voluntary lifesaving and rescue services to the community and public at large;

The provision of lifesaving safety awareness and prevention of drowning information;

The promotion of the club and its activities within the local community.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

All trustees, trainers and lifeguards are volunteers who are passionate about promotion of water safety and lifesaving. In addition all trainers and lifeguards are fully qualified for the roles they fulfil and hold relevant SLSGB and other appropriate body qualifications. This ensures our professionalism and is key to how we operate our management policies.

Our focus is on acquiring the necessary equipment to allow us to build membership. All grants and donations we have applied for and received have been used to purchase rescue boards and CPR equipment.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

HSLSC has continued to operate where possible following government guidelines, providing training and fun to our 40-50 young members. We have:

- Maintained our 40-50 membership providing much needed training, exercise, community and fun.
- Run sessions throughout the year in and around the sea and the Lagoon.
- Up skilled volunteers to Level 2 Coaches to ensure quality and sustainable sessions
- Via our subscriptions we have established long term financial security to enable the club to operate whilst meeting its financial obligations.
- Created a network of Lifeguards who have helped create our community by volunteering as safety cover and acting as role models for our members.
- Trustees voted at AGM and all will continue for an additional appointment of 3 years.

Section D**Achievements and performance**

Section E**Financial review****Brief statement of the charity's policy on reserves**

HSLSC policy is to hold sufficient funds in reserve to allow for 1 years rent, insurance and other operating costs.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity
- investment policy and objectives including any ethical investment policy adopted.

We have 2 sources of income: subscriptions and grants/donations. The later has been essential for purchase of equipment to allow our operation. As membership grows and our members progress additional equipment will be needed, for which we will seek grants/donations. We will also look for funding to allow us to train trainers to ensure sustainability of professional instruction.

HSLSC is affiliated with Surf Life Saving GB (SLSGB) that is the national governing body of surf lifesaving in Great Britain. This provides us with a procedural management training framework for our trustees and volunteers which includes safeguarding and risk assessment, as well as a structured programme for lifesaving for our members. In addition, all trustees and members pay an annual subscription to SLSGB that provides insurance for our participating members.

SLSGB was established to save lives on Britain's beaches and engage in search and rescue activities and to provide education in all areas relating to lifesaving, sea, inland waters including flood search and rescue/response and resuscitation for the benefit of the public by i) their provision of support for and maintenance of a network of affiliated clubs with similar objects ii) the promotion and improvement of national and international standards, qualifications and training in water safety, water safety event management and training, search and rescue, lifesaving, coaching, resuscitation and first aid iii) the promotion and organisation of beach and pool training, water sports, lifesaving and search and rescue activities for training, recreation and enjoyment that encourage fitness, team work, responsibility and excellence in pursuit of these objects iv) the promotion and the provision of voluntary lifesaving, search and rescue services to the community and public at large.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

Hove Surf Life Saving Club was established with the main objective of saving lives and preventing drowning for the benefit of the public in Brighton & Hove and surrounding areas. Its aim is to achieve this by providing education and training in all areas relating to lifesaving, rescue and resuscitation. Our membership is focused on 8 to 16 year olds.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Main activities are:

The promotion and provision of Surf Lifesaving qualifications and training in water safety, rescue, lifesaving, coaching, resuscitation and first aid;

The promotion and organisation of lifesaving and rescue, beach and pool training, water sports and lifesaving activities for training, recreation and enjoyment that encourage fitness, team work, responsibility and excellence in pursuit of these objects;

The promotion of and the provision of voluntary lifesaving and rescue services to the community and public at large;

The provision of lifesaving safety awareness and prevention of drowning information;

The promotion of the club and its activities within the local community.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

All trustees, trainers and lifeguards are volunteers who are passionate about promotion of water safety and lifesaving. In addition all trainers and lifeguards are fully qualified for the roles they fulfil and hold relevant SLSGB and other appropriate body qualifications. This ensures our professionalism and is key to how we operate our management policies.

Our focus is on acquiring the necessary equipment to allow us to build membership. All grants and donations we have applied for and received have been used to purchase rescue boards and CPR equipment.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

HSLSC has continued to operate where possible following government guidelines, providing training and fun to our 40-50 young members. We have:

- Maintained our 40-50 membership providing much needed training, exercise, community and fun.
- Run sessions throughout the year in and around the sea and the Lagoon.
- Up skilled volunteers to Level 2 Coaches to ensure quality and sustainable sessions
- Via our subscriptions we have established long term financial security to enable the club to operate whilst meeting its financial obligations.
- Created a network of Lifeguards who have helped create our community by volunteering as safety cover and acting as role models for our members.

Section E Financial review

Brief statement of the charity's policy on reserves

HSLSC policy is to hold sufficient funds in reserve to allow for 1 years rent, insurance and other operating costs.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We have 2 sources of income: subscriptions and grants/donations. The later has been essential for purchase of equipment to allow our operation. As membership grows and our members progress additional equipment will be needed, for which we will seek grants/donations. We will also look for funding to allow us to train trainers to ensure sustainability of professional instruction.
