RACING TO RELATE

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MAY 2023

The Racing to Relate Trustees present their report and the unaudited financial statements as a charitable incorporated organisation (CIO) for the charity's year ended 31 May 2023.

The financial statements comply with current statutory requirements, the charity's Foundation Constitution and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Our registered office is in central London at the offices of Beavis Morgan LLP.

Objectives and activities

The charity's objects as stated in the Foundation constitution are:

"THE RESCUE AND REHOMING OF FORMER RACEHORSES VULNERABLE TO ABANDONMENT, ABUSE, MISUSE OR NEGLECT AND IN NEED OF CARE AND ATTENTION THROUGH THE REHABILITATION AND RETRAINING OF SUCH HORSES"

The charity's activities are related to advancing the objects of the charity and in the initial stages are primarily research, education, advocacy and communication.

The Racing to Relate Trustees shall review the objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. Racing to Relate reports the success of each key activity and the benefits the charity has brought to date. The review also helps the Racing to Relate Trustees ensure the charity's objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the objectives that have been set.

Our Mission

Racing to Relate seeks to explore holistic, evidence-based approaches to help protect the welfare of thoroughbreds after careers in racing and breeding, in particular to support horse-centred transition and re-employment of retired racehorses in Equine Assisted Services.

Our Vision

Global communities of practice collaborating to support ethically sustainable Thoroughbred-Human relationships where horses and people flourish.

Our Approach

- Empathy
- Engagement
- Collaboration
- Research
- Dissemination
- Implementation
- Advocacy
- Storytelling
- Pilots & Events

We engage with:

Thoroughbred industry & related charities
Equine Assisted Services sector
Equestrian sectors
Equine health, behaviour & welfare experts
Human health & behaviour experts and institutions
Researchers and academic institutions
Governments & NGOs
Media & storytellers

RACING TO RELATE

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2023

Our Strategic Aims

We provide leadership, based on evidence, on how best to transition and employ former racehorses in EAS. We then propose to improve access to EAS post racing careers, whilst simultaneously optimising equine welfare and human wellbeing outcomes (cultivating interspecies solidarity) within this popular and diverse field.

The key aims and work of our charity during this period related to the four main headings of our strategy (outlined below) and all were achieved.

Strategy Map

In furtherance of our objectives, the Trustees are committed to overseeing our charity's Phase One Strategy under the following main headings:

Benefit / Stakeholder Beneficiary Value

- Informed, evidence-based leadership on use of thoroughbreds in equine assisted therapy.
- Improved access to equine assisted therapy.
- Enhanced equine and human welfare in this sector of activity.

Capacities

- Engage and align stakeholders, developing effective partnerships (including charities with similar and/or complimentary objectives)
- Ensure high quality research and information.
- Develop effective and joined up advocacy.

Learning & Growth

- Effective communication ensuring shared understanding and buy in to our strategy.
- Ensure adequate specialist / technical expertise.
- Gather and disseminate sound research and evidence.

Resources

- Secure funding for Phase One (Yrs 1 to 5)
- Strengthen our financial and organisational sustainability.
- Use resources strategically and efficiently.

RACING TO RELATE

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2023

Our Action

Our activities include research, advocacy, dissemination and extensive collaboration and engagement with the Thoroughbred Industry, EAS sectors, experts in equine behaviour and welfare and experts in human physical and mental health. Methodologies include specially commissioned international pilot schemes and events as well as analysis and reporting on the use of off-track Thoroughbreds within the wider EAS context. Racing To Relate has been invited to offer evidence-based leadership and guidance for key industry conferences in 2024 for both the Racing Industry and EAS Sector.

Highlighted Action :

Universal Language of The Horse Symposium Deauville 2023 in collaboration with the Horses & Humans Research Foundation, USA

We co-organised this international symposium which took place at the Longines International Equestrian Centre, Deauville. Speakers arrived from all over the world to present on a variety of equine assisted service research. It was a truly innovative format, bringing research from the laboratory to the arena, quite literally, featuring a number of live interactive demonstrations with research and equine-assisted practitioners and horses, including former racehorses and Veterans working with horses.

Trail To Zero

Racing To Relate co-organised this high profile event with BraveHearts, the largest equine-assisted services program for Veterans in the United States in the first international "Trail to Zero, Ride to End Veteran Suicide". Hosting two rides in Deauville and on Utah Beach, Normandy, right before the 79th anniversary of D-Day. Racing To Relate facilitated the participation of veteran riders from Scottish based EAS charity, HorseBack UK, alongside French serving military and veterans. The horses included numerous former racehorses and polo horses, escorted by horses and servicemen and women from the French Republican Guard. These events were made possible due to the support of the local Normandy Horse Council, the towns of Deauville and Sainte-Marie-du-Mont (Utah Beach), the International Equestrian Complex Longines-Deauville, local affiliates, and most importantly, generous donors. . The rides raised international awareness of the suicide epidemic in the U.S., France, and the United Kingdom among military veterans, and increased awareness of the powerful impact of equine-assisted services, together with the potential role for former racehorses in this sphere

Our PhD research project with University of Bristol :

A Pioneering and Collaborative Study: 'Selection and Education of Former Racehorses (Thoroughbreds) for Equine Assisted Therapy: Developing the Evidence base for a Global Standard'

This collaborative PhD research with the University of Bristol has kindly been made possible with funding from the John Pearce Foundation. The comprehensive and collaborative research project informs our strategy now and in the future in line with Good Impact Practice.

Phase 2 of the research project is progressing well and the research team have visited an unprecedented number of EAS centres and Thoroughbred retraining establishments across the UK, Ireland and France with remote visits and interviews with USA study participants in 2023. A first scientific article has been submitted and is set for publication in early 2024.

The research team have presented the first results of the study at several different international scientific conferences:

- ISAZ (International Society for Anthrozoology Conference): online
- ISES (International Society for Equitation Science): Hartpury University, UK
- Equimeeting Mediation Equine: IFCE, France
- SFECA's conference (Société Française d'Etude du Comportement Animal - Tours, France – May 2023)
- Journée Science et Innovation Equines (Saumur, France – June 2023)
- Horse and Humans Research Foundation and Racing to relate joined conference around the Trail to Zero event (Deauville, France – June 2023)
- European Federation of Animal Science's conference (Lyon, France – August 2023)

The feedback from the conference organisers, participants, our funders, industry members and related stakeholders has been excellent.

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2023

Funding

We are immensely grateful to our funders and partners for their support which enables us to pursue our charitable activities in line with our charity's vision. Our particular gratitude to the Childwick Trust and the John Pearce Foundation and the Sir Peter O'Sullivan Charitable Trust.

We have an active CAF (Charities Aid Foundation) account and online donation facility and we are recognised for gift aid.

Public benefit

The Trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

Structure, governance and management

The Board meets four times a year, and gives detailed consideration to monitoring the progress of the Charity in achieving its performance and quality objectives, current and future projects, financial matters, as well as the identification and management of risk. The Trustees and the CEO has developed a budget to achieve the objectives of the Charity and the CEO has been charged by the Board to be responsible for the delivery of this plan, reporting to the Board on monthly performance.

The Trustees delegate responsibility for the day-to-day operation and management of the Charity to the CEO. The CEO attends charity networking events and meets with colleagues so that any relevant information, such as new Charity Commission requirements, and sectoral developments relating to good practice and impact measurement, are reported to the Trustees.

The Trustees consider recruitment of new Trustees as the need arises. Applications from suitable candidates would be sought by identifying specific gaps in professional skills and seeking recommendations of professionally qualified candidates, if necessary, placing advertisements in suitable publications. A new Trustee would be provided with information on the activities, financing and management structure of the Charity, together with Charity Commission guidance and codes of conduct related to the roles and responsibilities of Trustees.

Financial review

The results for the CIO's year end were in line with the trustees' expectations, with income from grant awards representing income for the year of £131,867. Total expenditure in the year was £130,680.

A cautious approach to expenditure was adopted. There were cash balances of £75,917 at the year end.

Investment policy

The Charity holds cash balances.

Going concern

In the year ended 2023, we attracted funding towards pilot studies of £16,665.

The full funding for our three-year research project with the University of Bristol (total of £157,000) obtained in 2021 included £16,660 allocated to Racing to Relate for project liaison costs during the duration of this project representing £6,188 for the 2022-2023 financial period. The project is ongoing and during the year, we received £68,902 for that purpose (2022: £59,760).

As at the year-end, our unrestricted fund balance was £7,877.

RACING TO RELATE

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2023

Reserves Policy

The Trustees have set a policy of maintaining reserves equivalent to six months' expenditure. This is reviewed periodically.

Restricted and unrestricted funds

The funds at the year end include unrestricted fund and restricted funds.

Risk

The major risks to which the Charity is exposed have been identified by the Trustees and procedures established to mitigate these risks are monitored and reviewed regularly and have been recorded in the risk register. We minimise finance risk by the preparation and monitoring of monthly accounts, budgets; strategic risk by the maintenance of good practice in the allocation of grants; and operational risk and regulation compliance risk through the regular review of activities and the use of professional advisers.

Statement of Trustees' responsibilities

Law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent examiner

John D Lee FCA, of Lee Accounting Services 2018 Limited Trading as Lee & Co, were appointed as the charity's independent examiner during the year and has expressed its willingness to continue in that capacity.

This report was approved by the Trustees on 26/03/2024 and signed by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF RACING TO RELATE

I report to the trustees (who are also Directors for the purpose of company law) on my examination of the financial statements of Racing to Relate ('the charitable company') for the year ended 31 May 2023 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charitable company, you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the Act and are eligible for independent examination, I report in respect of my examination of the charitable company's financial statements carried out under section 145 of the Charities Act 2011 ('the 2011 Act') and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 May 2023.

The Trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

RACING TO RELATE

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2023

1 Accounting policies

Charity information

Racing to Relate is a charitable incorporated organisation (CIO) incorporated in England and Wales (Registered Charity No.1182855). The registered office is 82 St John Street, London, EC1M 4JN.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

1.5 Resources expended

All costs are allocated to expenditure categories reflecting the use of the resources. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

IT Equipment	33.33% on cost
--------------	----------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

RACING TO RELATE

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MAY 2023

1 Accounting policies

(Continued)

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.9 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation in the period are included in profit or loss.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
