Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To act as a resource for young people up to the age of 21 living in Ledbury and District by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:

- (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- (b) advancing education;
- (c) relieving unemployment;
- (d) providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning and executing the activities for this period, the Trustees have had regard to the guidance on public benefit issued by the Charity Commission.

The Covid-19 Pandemic and the loss of the accommodation used for the drop-in centre have seriously curtailed the provision of activities over the reporting period.

A trial of on-line activities was not successful.

The Trustees are actively pursuing alternative accommodation for restarting when the pandemic restrictions permit.
