Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To act as a resource for young people up to the age of 21 living in Ledbury and District by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:

- (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- (b) advancing education;
- (c) relieving unemployment;
- (d) providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning and executing the activities for this period, the Trustees have had regard to the guidance on public benefit issued by the Charity Commission.

Since the previously used accommodation is now being used by another body, several alternatives had been pursued including using an unused Magistrates Court attached to Ledbury Police Station and the former council Youth Centre which is now let to a private nursery.

We are now being invited to work with another charity, who are just about secure the leasehold of a suitable building. We are seeking additional volunteers to be in place ready for the recommencement of activities.

We are supporting a committee to enable the voices of young people to be heard, and this expects to report in Autumn 2024. One of the committee partners is the charity we expect to work with once they've secured the new building.

Additionally, the Trustees are still very active in the community, for example: building relationships with mental-health partners, which will benefit the drop-in when it opens.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

Summary of the main achievements of the charity during the year

The Trustees are actively pursuing alternative accommodation in preparation for a re-start of activities.
