## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

To promote social inclusion for the public benefit by preventing people. Particularly but not exclusively, men aged 18 or over, within Skipton and the surrounding area, from being socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society through the provision of facilities in which they can meet to undertake creative, physical or recreational activities, learn or pass on skills and knowledge and support for each other socially.

For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the following

factors: unemployment; financial hardship; youth or old age; ill health (physical or mental); substance abuse or dependency; ethnic origin, religion, belief, creed, sexual orientation or gender re-assignment; poor education skills attainment; relationship or family breakdown; poor housing (that is, housing that does not meet basic habitable standards); or crime (either as a victim of crime or as an offender rehabilitating into society).

Skipton Men's Shed provides space and facilities for woodworking and other craft activities for the benefit of members and the local community. As well as providing regular supervised workshop sessions for members own projects, there are additional activities supporting the local community, including making items for other community organisations, promoting and attending community events and working with local health groups to support individuals with poor wellbeing / mental health issues, and/or experiencing isolation and loneliness.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

#### **Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

We have provided 3 regular workshop sessions per week for the benefit of Shed members, with a wide range of items produced for the local town fair (Sheep Day) with proceeds going towards meeting the running costs of the charity.

The other main achievement has been the successful relocation of the Men's Shed workshops and social facilities following termination of our licence in September due to redevelopment, with only a short notice provided. Comparable self-contained facilities were secured but unavailable for occupation for 2 months, followed by a further period of creating a new layout, re-equipping and stocking up.
