It is our aim to bring multigenerational and multilingual Shia Ithna Ahari community together through worship and its religious and cultural practices and through providing space for recreation and aims giving.

We have use of the Cardigan center based in Leeds which provides facilities for Learning and Prayer to all the members and non-members. Events are run throughout the Year to allow the community to come together and participate in spiritual worship especially during the holy Months of Ramadhan and Muharram. The Centre is available for multiple religious festivals and cultural celebrations.

We have created a social media platform to engage with the community keeping them up to date with all the relevant events and information.

Activities and Achievements

The Trustees of Idarah ansarul Hussain confirm they have complied with their duty to have due regard to the Charity Commissions public benefit guidance when exercising any powers or duties to which the guidance is relevant.

How our activities deliver public benefit.

Religious education: The center is used for prayers as and when space is available at the Cardigan center allowing both men and women and children to attend; a Imam is present to hold lectures on religious topics and to teach about the doctrine of the Ahlulbayt; to cater for the multi-lingual we provide our lectures in English and Urdu.

Social education: the center is used as and when space is available at the cardigan center to carry out education classes to the wider community encouraging interfaith and allowing the public to learn about the different religions and cultures within their society.

Health and wellbeing: the center is used as and when space is available at the Cardigan center to allow members and the wider community to enjoy lectures on fitness and wellbeing.

Some of the Objectives are restricted as we rely on the space to be made available by the cardigan center which at times makes it impossible to carry out all of the activities which we have been doing so for many years, the main reason being we have a rising level of members each year and we are open to the wider community and the Cardigan center is now struggling to accommodate the Charity.
