**Report of the Trustees
FOR THE YEAR ENDED 30 APRIL 2024**

The trustees present their report with the financial statements of the charity for the year ended 30 April 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the charity shall be to advance the education and skills of children with special needs, in particular but not exclusively by providing and assisting in the provision of amenities and facilities otherwise not available at the Darchei Noam Centre For Special Needs in NW London.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Public benefit

Grants will be made to charitable institutions and organisations after it has been satisfied that payments will accord with the objectives of the charity.

Volunteers

There were no volunteers during the year.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

Donations were considered reasonable and the trustees feel that the present level of income is sufficient to permit the charity to continue for the foreseeable future.

A summary of the charity's transactions and of its financial position is shown in the financial statements together with the accompanying notes.

Internal and external factors

There are no specific factors to report.

FINANCIAL REVIEW

Financial position

During the year the charity received £550 (2023: £30,640) in donations and provided charitable grants of £22,100 (2023: £90,000) to Menorah Grammar School in furtherance of its charitable objectives.

At the balance sheet date the charity had unrestricted funds in deficit of £454 (2023: £21,456 surplus). The trustees are confident that future incoming donations will be sufficient to enable the charity to continue to pursue its charitable objectives.

Principal funding sources

The principal funding sources are donations from individuals and other companies.

Reserves policy

The charity aims to maintain reserves in order that it is in a position to continue its grant making activities at a consistent level and to cover contingencies of additional calls being made upon the charity for support of organisations, institutions or individuals in times of need.

The present level of funding is adequate to support the continuation of the provision of assistance by the giving of grants in the short term, and the trustees consider the financial position of the charity to be satisfactory.

FUTURE PLANS

The trustees plan to support charities and charitable purposes in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.
