

The objects of the club are:

The promotion of community participation in healthy recreation for the public benefit in Woodbridge and the surrounding area by the provision of facilities for sailing, including:
- providing learning and teaching in the skills of sailing in dinghies and yachts.
- providing training for instructors and members including in safety practices and the use of safety power boats.

Summary

This is the first full year report for the CIO.

Legal work associated with our premises required by becoming a charity is now complete.

We have maintained our assets thanks to much work from volunteers.

The teaching programmes for sailing and safety skills were adjusted to cope with need to comply with Covid Regulations.

The sailing programme has continued with our activities somewhat reduced by Covid.

The club had a small excess of expenditure over income due to depreciation and restriction of our activities.

We are looking forward to the resumption of normality after Covid.

Legal Aspects

We have completed all the expensive legal work on the leases of the Dinghy Park and the clubhouse, pontoons, launching ramp and area of the riverbed where we have moorings, which we lease from the Crown Estate. The work was necessary as we had become a CIO. This work means that we will not have to repeat the task for many years.

Facilities

We repainted the outside white paint of the clubhouse to maintain a smart appearance. The Dinghy Park, where we store our own boats and those of members has been maintained by a Winter Working Party as have the fleet of thirty club boats and pontoons. This year there has been a great increase in the number of kayaks and paddle boards used by members.

Preparations for more repair to the piles supporting the clubhouse is in hand. We have a licence to remove encroaching slipway mud. There is a new poly-tunnel large enough to shelter a dinghy and a second canoe rack is planned to be built this winter. Unfortunately, we attract trespassing youths to the clubhouse who jump into the river from our premises, risking severe injury. The police have advised us to call 999 when we see them. We have upgraded our CCTV system to give clearer images of trespassers on the higher parts of the clubhouse.

Teaching Sailing Skills

Our Beginner, intermediate and improvers sailing courses were quickly filled with both adults and juniors. Teaching methods were adapted to comply with the safety requirements of Covid. The club is lucky to have a dedicated team of qualified instructors to meet the demand.

Teaching Safety Skills

Our Powerboat and Safety boat training programme helped maintain the numbers of a strong Safety Boat team. Covid restrictions made it impossible to hold our usual Marine First Aid courses.

On the Water

Despite the shadow of COVID, we had a good year with many highlights. We had a full racing season apart from the usual few cancellations for adverse weather. We have a strong Hadron H2 fleet providing good competitive sailing and hosted an H2 Open meeting attended by the designer of the H2. Our small band of "Yachties" kept the Yacht racing programme going but we do need to encourage more small yacht owners to have a go at racing. The Regatta was successful as usual thanks to the many volunteers. It was a great success despite many indoor activities needing to be curtailed.

Diversification - we see more members kayaking, rowing and paddle boarding.

Membership

Numbers of members are up this year and it is good to see new families joining.

Support for other Charities

We have not been able to organize our usual quota of Coffee Mornings for other charities because of Covid. We raised money for the RNLI at two race evenings.

Finance

The club made a loss of £4361 over the club year from October to September because activity was reduced. We were fortunate to get a Covid Grant from East Suffolk District Council of £10,700. There is a reserve of about £140,000 but most is allocated for expected major maintenance projects, replacement of safety boats and to fund the "hungry gap" between the end of the sailing season and membership and facility fees becoming due in January.

Prospect for the Future

We are looking forward to increasing our activity post-Covid. We are planning to continue to expand our support for other organizations in the area. In particular, we hope to help the local Sea Scout group by allowing them to share our facilities and training programmes.

Overview

The club's financial accounts for the year ending 30th September 2021 have been approved by the club's appointed Independent Examiner, Harry Moore, Accountant.

Current Income £76,559 up by £5,669 (Includes £10.7k East Suffolk Council)

Current Expenses £57,020 up by £6,759

Income less Expenses Operational Surplus £19,538 (£1,090 less than last year)

Depreciation of Assets for the year £23,899 (last year £25,086)

After Depreciation we show a deficit of (£4,361)

Capital Spend Nil this year.

Overall outcome is a Deficit for the year of £4,361

Long Term it is better to have an Operating Surplus sufficient to cover the Depreciation of Assets.

Cash Held has increased by £19,399 to £141,286

Barclays	£69,700
Building Society	£71,162
PayPal	£194

Previous Allocation of Cash

- ***c£100k Total***
- ***£20,000 for annual rents and essential costs due in October to December***
- ***£42,000 reserved for Clubhouse/ Dinghy Park/Slipway and Ramp major repairs***
- ***£23,000 reserved for replacing Club Dinghies & Safety Boats when required***
- ***£12,000 reserved for replacing Pontoons and Lockers when required***

Change in Status to a CIO

The club achieved Charitable Incorporated Organisation status in April 2019

Banking arrangements now that we are a charity

These are now complete – we have one account still!

No further changes in the foreseeable future.

Honorary Treasurer's Report

DEBEN YACHT CLUB

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDING 30th SEPTEMBER 2021

In accordance with the terms of my appointment, I have examined the financial statements of Deben Yacht Club as set out in the attached balance sheet, income and expenditure account and related notes together with the records, vouchers and other information made available to me.

These financial statements have been properly drawn up in accordance with such information and to the best of my knowledge and belief, show a true and fair view of the Club's income and expenditure for the year ended 30th September 2021 and its state of affairs at that date.
