TRUSTEES' REPORT

FINANCIAL RESULTS AND ACTIVITIES

The work of the CIO is organised through a number of committees of Rotarians who recommend to the CIO's Executive their proposed activities and funding. Proposals are considered by the CIO's Executive and if adopted are put forward to the members of the CIO for agreement. Usually, the committee organising a fundraising activity is also held responsible for recommending the use of their funds so raised, and the CIO's funds are therefore notionally attributed to the fundraising committees; Community, Youth, International Foundation, and Grants. The CIO's funds are similarly named and organised. A Central fund holds the remaining unallocated funds.

Gross income for the year was £151,012.73, (2021 - £66,596.15). £88,900 (2020 - £52,201.00) was paid out for good causes.

During the year the charity undertook the following main projects:-

- 1) In October and November the "Rotary Shoe Box Appeal" collected 18,440 (2021 – 14,442) shoe boxes filled with toys and presents and sent them to the following countries:

	2021/22	2020/21
Montenegro	3,907	3,750
Albania	3,837	3,590
Philippines	-	-
Romania	5,389	3,522
Moldova	5,307	3,580
	<u>18,440</u>	<u>14,442</u>

The deficit for the year amounted to £12,520.81 (2020 – deficit £2,875.07); the balance of the reserves at 30th June 2021 was a deficit of £4,187.15. The trustees continue to aim to hold a minimum of £5,000 in reserves at all times in order to fund further Shoebox costs in the new Rotary year.

- 2) The Rotary "Kids Out" scheme is a national Rotary event taking mentally and physically disabled children, together with children with behavioural difficulties, to Bournemouth's Adventure World or Marwell Zoo for the day. Unfortunately, the event was again cancelled due to COVID-19.
- 3) The management of Paulton's Park agreed to donate £5,000 per year until 2021 for the CIO to distribute as it wishes but with the request that this should be directed where possible to disadvantaged children. £700 was donated to Rotary Toy Boxes, and there is a balance of £3,943.01 to carry forward.
- 4) Young Carers involves activity weekends away for young people supporting their families at home. Unfortunately, these events were again cancelled this year due to COVID-19.
- 5) Various youth activities are supported by the CIO. The money for this comes from Rotary International District 1110 (Rotary in Wessex).
- 6) District Grants are funded by the Rotary Foundation, and are passed on to Clubs to support their charitable activities. Applications are made to a committee, which considers and approves the distribution. £25,500 was distributed in this way.
- 7) The Wessex CIO through the International Committee has helped support humanitarian work in India post the COVID Pandemic and the Ukraine. The Indian Appeal raised £11,828 which was distributed to those hardest hit by the COVID pandemic and were unable to work. The Ukraine Appeal had raised £62,235.79 of which £56,700.00 have been distributed to purchase medical equipment and to aid refugees.

TRUSTEES' REPORT

RESERVES POLICY

The trustees continue to review the reserves policy annually. It remains the intention of the trustees, over time, to set aside sufficient free reserves so as to be able to meet and/or smooth out any unexpected spikes in charitable expenditure or income, so providing a cushion against unforeseen contingencies. However, this is subject to any particular requirement to allocate funds to specific projects.

INVESTMENT POWERS

Under the constitution the charity has the power to make any investments that the trustees see fit.

RISK MANAGEMENT

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems have been established to mitigate these risks.

STATEMENT OF PUBLIC BENEFIT

The objects of the CIO are contained in the Governing Document section above. The trustees confirm that they referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the CIO's aims and objectives and in planning future activities and setting the policies for the year. The trustees consider that the declared objectives above include the specific activities in:-

- a) Overseas aid, disaster and famine relief;
- b) General charitable giving to charities and voluntary bodies; and
- c) Help and benefit to children and young people.

The CIO carries out these objects through its role as an umbrella/resource body for the Rotary clubs in the District and their associated charities.

ACCOUNTING AND REPORTING RESPONSIBILITIES

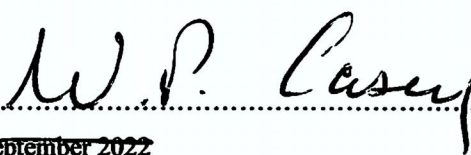

The trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity and enable them to ensure that any financial statements comply with the governing document, applicable Accounting Standards and the Statement of Recommended Practice, Accounting and Reporting by Charities and the regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ROTARY IN GENERAL

The Rotary International District 1110 is composed of approximately 1800 Rotarians in seventy Clubs and is one of 25 Districts within Great Britain and Ireland. Throughout the world there are about 1.2 million Rotarians in 35,000 Clubs in over 200 countries and geographic areas. Clubs are non-political, non-religious and open to all cultures, races and creeds. As signified by the motto "Service Above Self" Rotary's main objective is service in the community, in the workplace and throughout the world.

This report was approved by the Trustees.
