## Trustees Report 2023

### **PRINCIPAL ACTIVITY**

The principal activity of the company in the year under review was that of providing inexpensive and local opportunities. for shopping, exercise, socialising and entertainment.

### **REVIEW OF BUSINESS**

This year our youth work, Hassocks Youth Project, has had to take a back seat due to the loss of one of two key volunteers, but we are working to recruit a replacement and have high hopes of getting things back on track for next year.

The Village Market has gone from strength to strength, despite having to relocate due to concerns regarding the viability of the old site for the long term. The new location is working extremely well, and we are intending to increase the frequency of markets, or to introduce a new type of market once or twice a year.

Our Green Group accepted the help of local Scouts during the Big Help Out day and local residents saw the benefits of their joint work in the very attractive planters in the village.

Light Up Hassocks, our festive community event project, secured funding of £1500 per year for the next three years from the parish council to help improve the appearance and running of this very popular celebratory event.

Financially we remain in a good position with sufficient funds to cover our projects and indeed to invest in new technology such as card readers for our Star Cinema project.

**Report of the Directors  
for the Year Ended 31 March 2021**

The directors present their report with the financial statements of the company for the year ended 31 March 2021.

Two new projects have come on board - Hassocks Youth Projects, focused on providing positive activities for young residents, and Light Up Hassocks, a community event celebrating Christmas, providing local shopping opportunities, and music and recreation for people of all ages. Despite the challenges of the pandemic all the company's activities continue, and the directors are looking forward to an exciting and fulfilling year ahead.

The organisation operates online banking to pay for any purchases and to pay trustee expenses. The processes and authorities required for each of these transactions is detailed on the delegated authorities form provided.

**Income from events**

Most fees are paid directly into the bank account.

The small amount of cash income is handled by both the Cycle Hire team and the Star Cinema team.

Liz Edmunds is the lead at Star Cinema, who handles the cash. The cash is taken to the bank by Liz Edmunds who then advises Robert Kenhard of the amounts paid in. Robert then records this in the year-end spreadsheet.

Colin Wilsdon is the lead at the Cycle Hire who handles the cash income. Any excess cash in the till is paid into the bank by Colin and is then recorded in the 'cash in till' book, with the paying in receipt from the bank attached.

The cash book is passed to Robert Kenhard who logs all figures into the year-end spreadsheet.

**Other monies**

1. Significant donations – Due diligence must be exercised prior to accepting donations. HCO will consider the profile of the funder or donor, the funding of the donation, the purpose of the funds and whether any conditions are reasonable, ethical, and achievable.
2. Petty Cash payments – Petty cash payments are kept to a minimum amount necessary to facilitate the event. Any small expenses up to a value of £20 can be paid in cash where other means may not be appropriate or practical. Robert Kenhard has expressed his interest in implementing an electronic payment system to completely minimise cash income and expenses.

Over the past year there has been no operation from Star Cinema, due to the COVID-19 pandemic.

Independent examination notes

The only areas of value are income, expenses and wages and it is these areas I will review.

1. Income –The income comes from un-invoiced events, such as Star Cinema receipts (although there was no income in the year to 31/03/21 due to the COVID 19 pandemic), market stall rents from The Village Market totalling £1,831.00 in the year to 31/03/21 and Hassocks Community Cycle Hire totalling £6,382.72. Despite this income received, the major part of the income in the year to 31/03/21 comes from the receipt of two COVID 19 related government grants from the Mid-Sussex District Council, of £10,000.00 on 14/05/20 and £10,000.00 on 27/05/20.

The income is dealt with on a receipt basis which is acceptable to the Charity Commission.

I have found no reason to believe the income is not complete.

2. Wages – Salary calculations are produced by Price Green & Co Accountants. On review of the records the organisation's total wages agree with our payroll summary.
3. Other small payments – These have receipts/invoices kept on file which agree to the bank and cash summaries produced by the client.
4. HSBC bank accounts – The bank reconciles to the client summaries on the spreadsheet.
5. Cash – On the basis there is a very small amount of petty cash used in the year and it is summarised separately from the bank account. The internal control for cash seems to be as efficient & organised as the main bank current account. I have no reason not to assume this balance is correct and I am not doing any further analysis on this area.

Final comment – Robert Kenhard has continued to prepare the accounts using the same spreadsheets as previously.

The bookkeeping is well organised and correct. I have no areas of concern.
