Friend of British Southern Cameroons is a charity set up primarily to assist the victims of the Southern Cameroons genocide who have been internally displaced or seeking refuge in other countries, such as Nigeria. We carry out general charitable purposes, seek to prevent and relieve poverty among this vulnerable group and advocate for their Human Rights.

This was another challenging year for meeting our fundraising potential. We continued raising awareness of the Southern Cameroons genocide and advocacy through our established social media platforms. This involved an outreach for education and sensitisation in local schools and churches. Social media was used to raise the profile of the humanitarian crisis and facilitated our fundraising events. We extend our thanks to all family and friends who supported and sponsored us.

Our charity strives to continue carrying out outreaches to the refugees in Nigeria and the Internally Displaced People and children in Community schools in Southern Cameroons. These included supplying educational resources for children in all refugee camps and sustainability projects to empower the women, the disabled and the youth.

One of our biggest accomplishments was the successful completion of our library project. This was achieved first by finding a suitable and accessible location which would allow us to turn our idea into reality. We then employed the services of local carpenters to handcraft tables, benches and bookshelves and finally incorporated the shipped books that had been donated from our fellow UK schools

This was a very challenging year for meeting our fundraising potential due to bereavement, which heavily impacted our regular fundraising activities. However, we continued raising awareness of the Southern Cameroons genocide and advocacy through our established social media platforms. This involved an outreach for education and sensitisation in local schools and churches. Social media was used to raise the profile of the humanitarian crisis and facilitated our fundraising events, like our 1<sup>st</sup> October Sponsored Walk. Our charity strives to continue carrying out outreaches to the refugees in Nigeria and the Internally Displaced People and children in Community schools in Southern Cameroons. ## **Friends of British Southern Cameroons Annual Report 2021-2022**

Friend of British Southern Cameroons is a charity set up primarily to assist the victims of the Southern Cameroons genocide who have been internally displaced or seeking refuge in other countries such as Nigeria. We carry out general charitable purposes, seek to prevent and relieve poverty among this vulnerable group and advocate for their Human Rights.

We were very fortunate to see remarkable growth after the adverse effects of COVID-19. The increase in the willingness of our communities to engage with the works of the charity has been heart-warming. We are extremely grateful to Lodge Park Academy, St Paul's Catholic School and Sacred Heart Church, Leicester for their immense kindness, prayers, fundraising and donations to the victims of the ongoing genocidal war in Southern Cameroons/Ambazonia.

During this year, we continued raising awareness of the Southern Cameroons genocide and advocacy through our established social media platforms. This involved an outreach for education and sensitisation in local schools and churches. Social media was used to raise the profile of the humanitarian crisis and enabled us to carry out 3 main fundraising events which were a Sponsored half-marathon, virtual fundraiser and a tremendously successful charity launch event.

The charity launch event included a unique, live link up via Zoom with the Adagom1 refugee camp in Nigeria. Leicester based primary school

band LFK gave a very entertaining performance with their debut songs and choreography. Along with the scrumptious Southern Cameroonian cuisine, this event promoted and encouraged our local community and all participants to gain a greater insight and appreciation into the plight all the people of Southern Cameroons. In terms of education geographic knowledge, cultural knowledge as well as interactions with the refugees including children left a lasting impression on all who attended the event. During the live link with Nigeria, it was quite remarkable to hear the motivation aspirations and positivity emanating from the young children despite the adverse conditions in which they found themselves in the refugee camps with limited resources and security.

The sponsored half-marathon event raised funds for the women and children in the refugee camps. A huge thanks to Natalie and David for their resilience and endurance in training and running the Heaton Half Marathon. We extend our thanks for all family and friends who support and sponsored this exciting event.

Our charity carried out numerous outreaches to the refugees in Nigeria and the Internally Displaced People and children in Community schools in Southern Cameroons. These included supplying educational resources for children in all refugee camps, World Refugee Day, Konja Good Life Gari Processing Unit for making their own food and providing the refugee camps in Nigeria with food and resources for Christmas.

## **Friends of British Southern Cameroons Annual Report 2020-2021**

Friend of British Southern Cameroons is a charity set up primarily to assist the victims of the Southern Cameroons genocide who have been internally displaced or seeking refuge in other countries such as Nigeria. We carry out general charitable purposes, seek to prevent and relieve poverty among this vulnerable group and advocate for their Human Rights.

It is also worth stating that the COVID-19 pandemic has had an adverse effect on our charity, particularly more so as we are a small charity that was just been set up.

During this year, we have continued raising awareness of the Southern Cameroons genocide and advocacy through our established social media platforms. This involved outreach to the Members of Parliament and as well as talks in a local school and churches. Social media was used to raise the profile of the humanitarian crisis and enabled us to carry out 2 main fundraising events which were a Sponsored Walk and a Sanitary Towels Fund drive as well as income from direct debit contributions. These much-needed finances raised were then used to support and empower the Southern Cameroons refugees in Adagom 1 settlement in Nigeria through the self-sustaining Konja Good Life Initiative, Christmas food money, Sanitary Towels, and underwear distributions. We provided financial support for the lifesaving surgery of baby Elizabeth in Southern Cameroons. We also shipped generous donations of Sanitary towels and books to the internally displaced people in Southern Cameroons.
