

Burntwood Lions Club CIO
Charity 1183199

Trustees report for period July 1st 2022 to June 30th 2023

Although the effects of covid are no longer with us our fund raising is being curtailed by both the cost of living crisis and reduction in the active members of our club.

Burntwood Town Council still provide funds for us to supply white and household goods to needy families and we continue to use local suppliers for this project.

Our biggest event of the year is still {after twenty-three years} the Santa Special when we take approximately two hundred and fifty disabled and disadvantaged children, with their siblings, to see Santa by train.
