## Events and Activities

During 2022 the Trustees initiated the process for establishing a Research Advisory Board to aid with the identification and selection of research projects to fund in line with the EM's charity's objectives.

The establishment of the Advisory Board was in part delayed by the continued disruption from Covid-19, in particular the impact on health professionals and demands on their time.

Despite the delay, the initiation of the process in 2022 has put the EM in an excellent position to start to fund scientific research into Mesothelioma from 2023 onwards.

Fundraising events and activities also took place in 2022, albeit on a limited basis due in part to the ongoing impact of Covid-19 and the focus on establishing the Advisory Board. EM was well supported by the general public and specific donations from generous supporters.

In addition to the fundraising, we continued to efforts to build partnerships with related charities.

**Events and Activities**

Fundraising events and activities in 2020 were limited due to the impact of Covid-19 and related government restrictions in place throughout the year.

Despite the difficult circumstances, EM was well supported by the general public and specific donations from generous supporters. An outdoor cinema event, held during the summer easing of restrictions, was well attended by over 100 people and successfully served a dual purpose of raising funds for EM whilst further building awareness of Mesothelioma.

In addition to the fundraising, we continued to efforts to build partnerships with related charities.

**Accounts**

EM prepare accounts on a receipts and payments basis and the accounts are examined by an independent person in line with Charities Commissions requirements.

For the period 1<sup>st</sup> January 2020 to 31<sup>st</sup> December 2020 funds of £31,663 were raised from events and donations.

Payments of £2,126 were deducted, relating to liability insurance, IT licences and fees deducted by payment and fundraising platforms. EM operates on a volunteer basis, and as such no payments were made for management or advisory services during 2020.

Overall excess of receipts over payments was £29,536, held as part of the cash and equivalents at balance date.

**Other**

The Trustees would like to express our sincere gratitude to all who have supported EM in our endeavour to raise funds for scientific research and to raise awareness of mesothelioma.

Paul Cook (Trustee)
