

## Events and Activities

Fundraising events and activities in 2020 were limited due to the impact of Covid-19 and related government restrictions in place throughout the year.

Despite the difficult circumstances, EM was well supported by the general public and specific donations from generous supporters. An outdoor cinema event, held during the summer easing of restrictions, was well attended by over 100 people and successfully served a dual purpose of raising funds for EM whilst further building awareness of Mesothelioma.

In addition to the fundraising, we continued to efforts to build partnerships with related charities.

## Accounts

EM prepare accounts on a receipts and payments basis and the accounts are examined by an independent person in line with Charities Commissions requirements.

For the period 1<sup>st</sup> January 2020 to 31<sup>st</sup> December 2020 funds of £31,663 were raised from events and donations.

Payments of £2,126 were deducted, relating to liability insurance, IT licences and fees deducted by payment and fundraising platforms. EM operates on a volunteer basis, and as such no payments were made for management or advisory services during 2020.

Overall excess of receipts over payments was £29,536, held as part of the cash and equivalents at balance date.

## Other

The Trustees would like to express our sincere gratitude to all who have supported EM in our endeavour to raise funds for scientific research and to raise awareness of mesothelioma.
