OBJECTIVES AND ACTIVITIES

The objectives of The Pipeline Trust ("the Charity"), as specified in its governing document, are to advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time.

The activities undertaken by the Trustees to satisfy these objectives comprise the awarding of grants to organisations (primarily other charities and voluntary bodies) and individuals throughout England and Wales for the general public benefit.

The Trustees confirm that they have complied with their duty to have due regard to the guidance published by the Charity Commission on public benefit when reviewing the Charity's aims and objectives, in planning future activities and in setting the grant making policy for the period.

Trustees' Annual Report

for the year ended 31 December 2023

ACHIEVEMENTS AND PERFORMANCE

The Charity has been able to support a number of different charitable causes, with the main themes being: the health and wellbeing of young people, the support of people with disabilities and illnesses, as well as research into medical developments, especially relating to Type 1 Diabetes. The Trustees' hope is that even relatively small amounts of money can make a big difference when applied to the right charitable organisation. These grants have been very gratefully received.

Further details regarding the grants awarded in the period are set out in Note 2 to the accounts.

FINANCIAL REVIEW

During the year the Charity received donations totalling £31,085 (2022: £25,000) representing part of a series of regular annual donation from The Newcombe Estates Company Limited, the amount of which depend on the Company's profitability.

The Newcombe Estates Company Limited is a private limited company in which the Trustees are all shareholders and Mr R.W. Newcombe and Mrs A.C. Houghton are directors.

The funds received in the year were added to cash reserves brought forward of £2,176 (2022: £4,176) and a total of £27,900 (2022: £27,000) was distributed by way of grants to charitable organisations providing educational, religious, health, social care; and humanitarian relief services at either a local, national or international level.

The Trustees provide their services without remuneration and no funds were spent on support costs in the year or in the previous year.

Reserves policy

The Trustees expect that the Charity will have few overheads and, therefore, will have a limited requirement for reserves. Their objective will be to identify organisations worthy of support so that the Charity's income is distributed on an annual basis and cash reserves will be retained at a level that they consider appropriate to meet any liabilities as they fall due and to enable the Charity to respond in a timely fashion to urgent appeals from deserving causes.

Cash reserves at the 31 December 2023 amounted to £5,361 (2022: £2,176).

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is governed by a constitution dated 3 May 2019 and it was registered as a Charitable Incorporated Organisation with the Charity Commission on that same day.

The members of the Charity are its trustees, who are the only persons eligible for membership, and their membership will automatically end when they cease to be a trustee.

The initial trustees were appointed for their lifetime and they may appoint additional trustees, at a duly convened meeting, for terms at their absolute discretion.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

In selecting individuals for appointment as trustees, regard will be given to the skills, knowledge and experience needed for the effective management of the Charity.

New trustees will be briefed on their legal obligations under charity law, the content of the constitution, the decision making processes and the recent financial performance of the Charity. All trustees will be encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.
