TRUSTEES' REPORT

YEAR ENDED JUNE 2021

Objective

The objective of the charity is to provide relief and assistance to children's needs and Substitute parenting.

Trustees

The trustees of the charity are listed on page 1 of the financial statement

Statement of trustees Responsibilities

The trustees are responsible for preparing the Annual Report and financial statements according to the law of the United Kingdom Accounting Standards

The law which applies to charities in England requires the trustees to prepare financial statements for each financial year. This gives a true view of how the charity operates and how we generate and manage the resources of the charity for that period. As the trustees prepare the financial statements, they are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the charities SORP (FRSSE).
- Make judgements and estimates that are reasonable and prudent,
- State whether applicable accounting standards have been followed, subject to any material departure disclosed and explain in the financial statements,
- To prepare the financial statements accordingly for each financial year unless we see it in proper to continue in business.

It is the trustee's responsibility to keep correct accounting records that will disclose any reasonable accuracy at any time for the financial position of the charity. This will enable them to be sure that the financial statement comply with the charities Act 2013, the charity (Accounts and Reports) Regulations 2008 and the provision of the trust deed. They are also in charge of safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other mismanagement.

Bethany International house for children is a charity registered with the charity commissions under number 1140410. This organisation is set up in Sierra Leone to help the underprivileged children in Waterloo in due of the aftermath of the last war. The charity consists of a nursery school to encourage the little children with good education. We also have an orphanage for children who have lost one or both parents. This is the report on the activities of Bethany International house for the year ending June 2020.

The board of trustees ensures that the school and the orphanage are administered accurately by delegating a number of staff for the daily operation that is needed to run the school and the orphanage. All staff

including the finance officer report to the trustee at their bi-monthly meetings also has immediate access to the founder and trustee with specific areas of responsibility. The teaching staffs receive certain amount of salary each month as dose the maintenance man. Other staffs work voluntarily.

Since 2011 Bethany International house have been committed to providing quality education, accommodation, food and clothing to the under privilege and orphan children. The organisation is committed to provide all these facilities so as to help the children full fill a worthy life of destiny and to in turn change and educate their community. Our staffs have also tried to fulfil all the objectives that the founder and trustees would recognise and endorse.

The commitment of the staff and trustees has reflected in this year's operation which have strengthen the need for and value of the provision provided for the under privilege children of Waterloo.

In 2020/19 we have managed to construct our auto modern nursery school building from foundation to wall height. This consists of four class rooms, two offices, chapel hall and five toilets. With this in mind we expect to in cure a heavy expenditure which will use up all our financial reserves and more so as to help finish the nursery. We understand that the expenses will be more than we anticipated so we will have to find a way of finding extra funds that will help us complete the building.

The trustee strategy of increasing financial provision is by fundraising. This enforces the charity to grow stronger and faster as time passes. The trustee has created other type of activities such as piggery, and poultry which will help to raise more funs so as to control the amount of expenditure each year to increase funding

The trustees extend their sincere thanks to all our partners, their staff and sub-contractors for such generosity shown to the charity and also to the children of waterloo in Sierra Leone.

The annual report was approved by the management committee and signed

Minister Susan Benjamin (Founder)
