Summary of the objects of the charity set out in its governing document

The Objects of Manifestations of Judah Ministries International (MOJMI) is to advance the Christian Faith for the public benefit in the UK and worldwide in accordance with the statement of Faith, mainly but not exclusively by means of providing a place of worship, religious education, advice and counselling.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities Manifestations of Judah Ministries International carried out:

- Services – Preaching
 - Bible Studies
 - Prayer meetings
 - Praise and worship
 - Counselling
- We have not yet returned to doing TV Broadcast Livestreaming but still plan to at some point, so we may look at what we need to do to progress this next year.
- Facebook Livestreaming
- Evangelistic outreaches – speaking to people face to face in the street about the Christian faith
- Praying for people in the street according to the Christian faith
- Counselling and advising people in the street
- We handed out Christian Literature in the street this year.
- We delivered Christian literature door to door this year.

As stated in previous reports the MOJMI downsized following the Covid 19 pandemic and has still not entirely returned to the same level of ministry activities.

However, we see the mighty hand of God upon the ministry, with more grace and anointing, bearing witness to the supernatural power of God more and more.

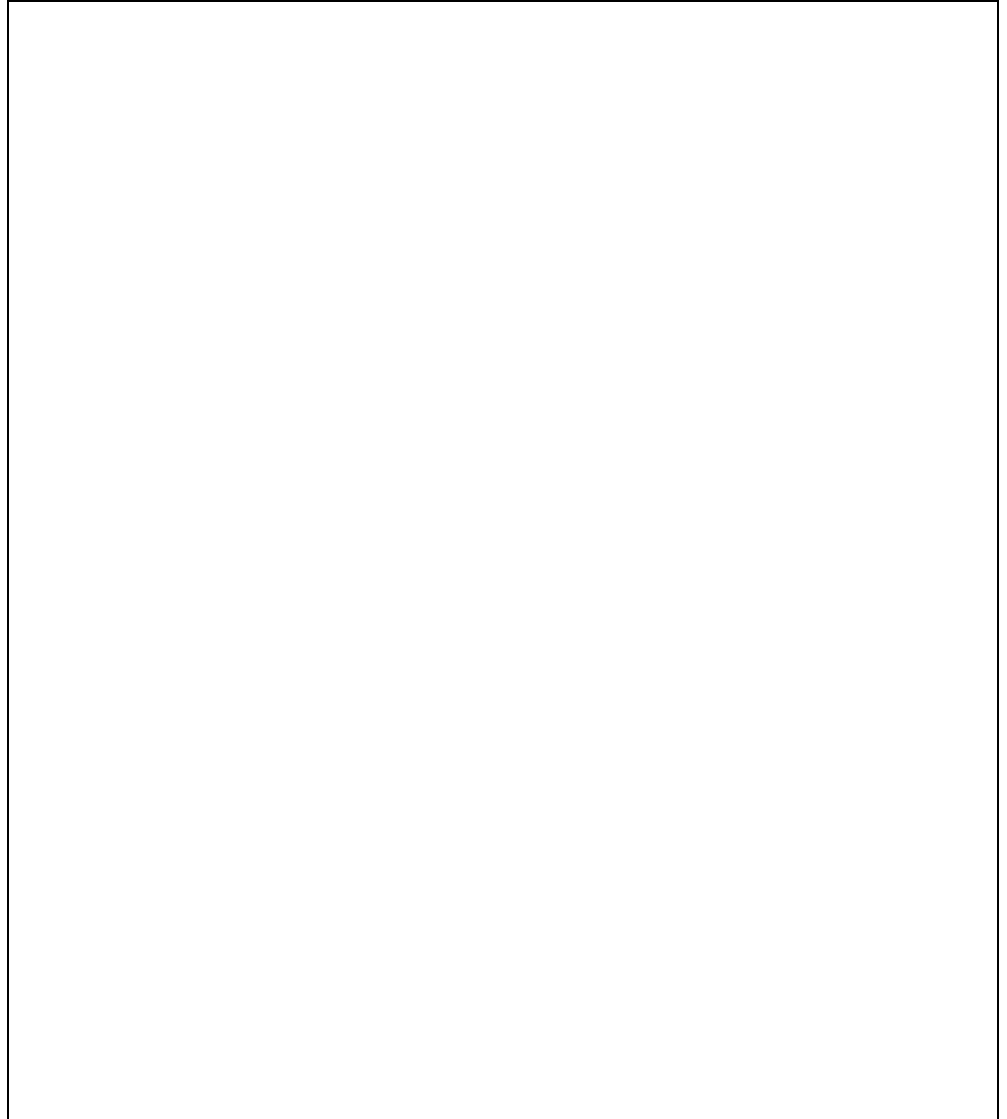

Going forward we intend to increase the online and face to face ministries again and find ways to bring people back together, with now a clear intention to build a church congregation in a physical location once more sometime next year.

We will continue to strive to bring the word of God to people in many diverse ways.

Additional details of objectives and activities (Optional information) 2

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Management of the charity, Manifestations of Judah Ministries International and the furtherance of its purposes are in line with the statutory declaration issued by the Charity Commission.

We used to hire a community hall to hold church meetings and invite people with leafletting and online, but by December 2020 it had become apparent that due to the Covid 19 pandemic reduced numbers of people were attending physical meetings, so we put ours on hold. We did not do physical or in person meetings in 2024. We intend to start holding church meetings in a physical location again in 2025.

To cut costs during the pandemic, in 2021 we stopped investing in a TV broadcast (on Faith World TV Sky Channel 589), returning to this remains an ambition for the future.

Instead we have concentrated on our livestream through YouTube and Facebook to advance the Christian faith and further the charitable purposes by informing, educating and counselling the general public.

In October 2023 our investment in advertising on Facebook took a knock when out-of-the blue the Manifestations of Judah Ministries International's bank account was closed by Lloyds bank. We complained about this and involved the Financial Ombudsman; Lloyds returned our money and offered us £50.00 by way of compensation which did not go far enough to cover the cost of replacing or changing our media to show new bank account details and the time and inconvenience to sort this out.

We will continue to fight on behalf of the charity against any adversity we encounter in the human world.

The MOJMI witnessed the power of God through the Name of Jesus, by our evangelistic outreaches to people on the street in the UK and, by our use of Facebook and You Tube, we reached out to people all over the world. We found our Social media platforms more effective to contact the less privileged to meet for prayers and also, for people in need to contact us to request donations.

The MOJMI continues to seek out ways to minister to the general public locally, nationally and internationally. In 2024 people testified to us that they had been healed by the power of God following our preaching.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Objects of Manifestations of Judah Ministries International (MOJMI) is to advance the Christian Faith for the public benefit in the UK and worldwide in accordance with the statement of Faith, mainly but not exclusively by means of providing a place of worship, religious education, advice and counselling

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities Manifestations of Judah Ministries International carried out:

- Services – Preaching
 - Bible Studies
 - Prayer meetings
 - Praise and worship
 - Counselling
- TV Broadcast Livestreaming
- Facebook Livestreaming
- Evangelistic outreaches – speaking to people face to face in the street about the Christian faith
- Praying for people in the street according to the Christian faith
- Counselling and advising people in the street
- Handing out of Christian Literature in the street
- Delivering Christian literature in peoples home door to door

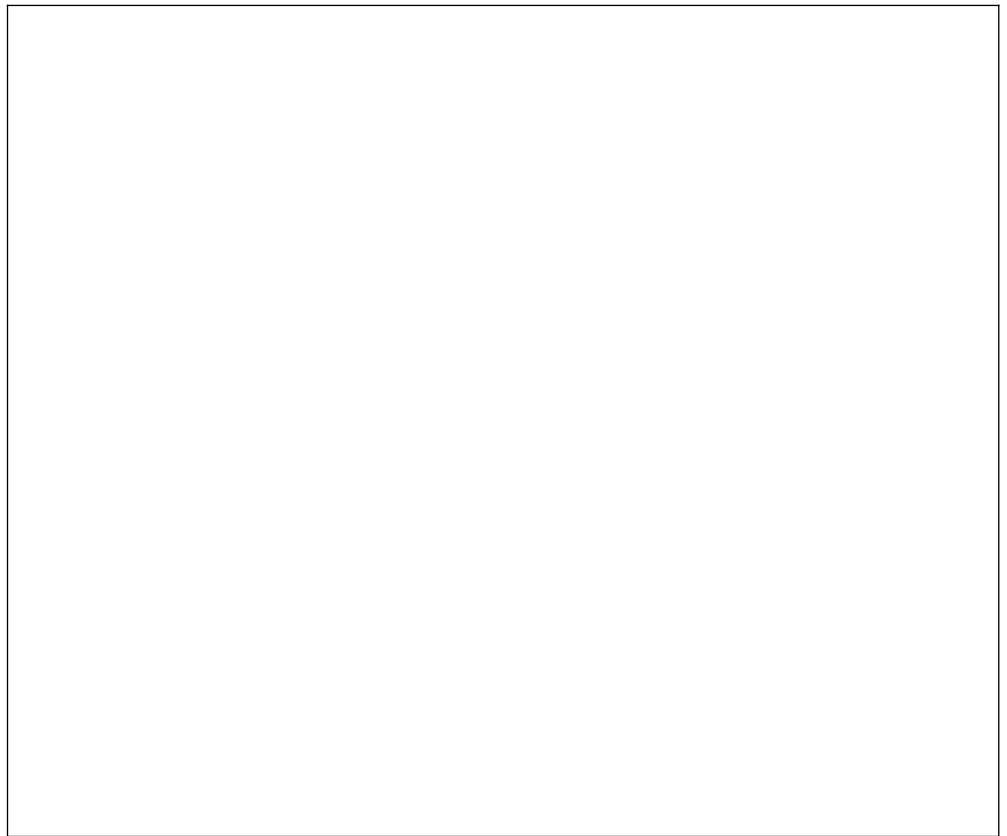

2022 was the first full year following the worldwide Covid 19 pandemic and the lockdowns and restrictions put in place by the government in response. The MOJMI carried out the ministry activities as we had back before the pandemic, but we found engaging with people face to face had become more difficult. The people we encountered seemed more wary of meeting in person, however the online side of our administrations were as strong as ever.

Going forward we intend to find ways to bring people back together again and at some point to have a congregation in a church at a physical location. But we will continue to strive to bring the word of God to people in many diverse ways.

Additional details of objectives and activities (Optional information) 2

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Management of the charity, Manifestations of Judah Ministries International and the furtherance of its purposes are in line with the statutory declaration issued by the Charity Commission.

In the previous year by December 2020, at our physical church meetings held in the community hall, it became apparent less and less people were coming in response to our invites, sent out by leafleting and online, because people were becoming fearful of meeting in person due to the Covid Pandemic.

Therefore we took the decision to put the meetings on hold and from January 2021 we stopped hiring the hall and holding meetings for the general public in person. This remained the case during 2022.

To try to cut costs, we did not invest in a TV broadcast (on Faith World TV Sky Channel 589) in 2021. This remained the case during 2022.

We livestream through YouTube and we invest in advertising on Facebook, to advance the Christian faith and further the charitable purposes by informing, educating and counselling the general public.

The MOJMI witnessed the power of God through the Name of Jesus, by our use of Facebook and You Tube and also by evangelistic outreaches to people we meet on the street.

Our live TV broadcast on Faith World in 2020 continued to have an impact in 2022 with people responding all over the world.

In 2022 we reached out to more people via our Social media platforms, this continued to be the main way we contacted the less privileged to meet for prayers and how they contacted us to request donations.

However, we took a bigger financial loss again this year because of the charitable donations we receive being more in response to our ministries in person.

The MOJMI continues to seek out ways to minister to the general public locally, nationally and internationally. In 2022 people testified to us that they had been healed by the power of God following our preaching.

Summary of the main achievements of the charity during the year

The Management of the charity, Manifestations of Judah Ministries International and the furtherance of its purposes are in line with the statutory declaration issued by the Charity Commission.

In the previous year by December 2020, at our physical church meetings held in the community hall, it became apparent less and less people were coming in response to our invites, sent out by leafleting and online, because people were becoming fearful of meeting in person due to the Covid Pandemic.

In 2021 MOJMI witnessed the power of God through the Name of Jesus, by the use of Facebook and You Tube livestreaming and by evangelistic outreaches on the street.

Occasionally people still contacted us for prayers and counselling in response to viewing the previous year's live TV broadcast on Faith World and also after seeing the video of the broadcast documented on our online pages.

We think more people contacted us in 2021 through Social media platforms for prayers and financial help, we reached out and assisted the less privileged through donations.

However due to the Covid pandemic, we took a bigger financial loss this year because the charitable donations we take are almost exclusively in response to our ministries in person at the church, which did not take place this year.

The MOJMI continues to find ways to minister to the general public locally, nationally and internationally and in 2021 people called in to testify that they had been healed by the word of God which was preached and also people we met on the street testified of the instant healings by the power of God.

Some of the healings people confirmed to us were of, heart conditions, eyesight recovered, mobility issues, pains in different parts of the body, and ailments instantly disappearing, others talked about things crawling in their body which were delivered. Others confirmed healed from Covid virus and symptoms instantly by the Power of God supernaturally.
