Summary of the main achievements of the charity during the year

The Management of the charity, Manifestations of Judah Ministries International and the furtherance of its purposes are in line with the statutory declaration issued by the Charity Commission.

In the previous year by December 2020, at our physical church meetings held in the community hall, it became apparent less and less people were coming in response to our invites, sent out by leafleting and online, because people were becoming fearful of meeting in person due to the Covid Pandemic.

Therefore we took the decision to put the meetings on hold and from January 2021 we stopped hiring the hall and holding meetings for the general public in person.

To try to cut costs, we did not invest in a TV broadcast (on Faith World TV Sky Channel 589) in 2021.

We did continue livestreaming and investing in the advertising on Facebook to advance the Christian faith and further the charitable purposes by informing, educating and counselling the general public.

In 2021 MOJMI witnessed the power of God through the Name of Jesus, by the use of Facebook and You Tube livestreaming and by evangelistic outreaches on the street.

Occasionally people still contacted us for prayers and counselling in response to viewing the previous year's live TV broadcast on Faith World and also after seeing the video of the broadcast documented on our online pages.

We think more people contacted us in 2021 through Social media platforms for prayers and financial help, we reached out and assisted the less privileged through donations.

However due to the Covid pandemic, we took a bigger financial loss this year because the charitable donations we take are almost exclusively in response to our ministries in person at the church, which did not take place this year.

The MOJMI continues to find ways to minister to the general public locally, nationally and internationally and in 2021 people called in to testify that they had been healed by the word of God which was preached and also people we met on the street testified of the instant healings by the power of God.

Some of the healings people confirmed to us were of, heart conditions, eyesight recovered, mobility issues, pains in different parts of the body, and ailments instantly disappearing, others talked about things crawling in their body which were delivered. Others confirmed healed from Covid virus and symptoms instantly by the Power of God supernaturally.

Brief statement of the charity's policy on reserves

For the financial period 1 January 2021 – 31 December 2021.
