Summary of the objects of the charity set out in its governing document

The Objects of Manifestations of Judah Ministries International (MOJMI) is to advance the Christian Faith for the public benefit in the UK and worldwide in accordance with the statement of Faith, mainly but not exclusively by means of providing a place of worship, religious education, advice and counselling.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities Manifestations of Judah Ministries International carried out:

- Services – Preaching
 - Bible Studies
 - Prayer meetings
 - Praise and worship
 - Counselling
- We have not yet returned to doing TV Broadcast Livestreaming but still plan to at some point, so we may look at what we need to do to progress this next year.
- Facebook Livestreaming
- Evangelistic outreaches – speaking to people face to face in the street about the Christian faith
- Praying for people in the street according to the Christian faith
- Counselling and advising people in the street
- We handed out Christian Literature in the street this year.
- We delivered Christian literature door to door this year.

As stated in previous reports the MOJMI downsized following the Covid 19 pandemic and has still not entirely returned to the same level of ministry activities.

However, we see the mighty hand of God upon the ministry, with more grace and anointing, bearing witness to the supernatural power of God more and more.

Going forward we intend to increase the online and face to face ministries again and find ways to bring people back together, with now a clear intention to build a church congregation in a physical location once more sometime next year.

We will continue to strive to bring the word of God to people in many diverse ways.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Management of the charity, Manifestations of Judah Ministries International and the furtherance of its purposes are in line with the statutory declaration issued by the Charity Commission.

We used to hire a community hall to hold church meetings and invite people with leafletting and online, but by December 2020 it had become apparent that due to the Covid 19 pandemic reduced numbers of people were attending physical meetings, so we put ours on hold. We did not do physical or in person meetings in 2024. We intend to start holding church meetings in a physical location again in 2025.

To cut costs during the pandemic, in 2021 we stopped investing in a TV broadcast (on Faith World TV Sky Channel 589), returning to this remains an ambition for the future.

Instead we have concentrated on our livestream through YouTube and Facebook to advance the Christian faith and further the charitable purposes by informing, educating and counselling the general public.

In October 2023 our investment in advertising on Facebook took a knock when out-of-the blue the Manifestations of Judah Ministries International's bank account was closed by Lloyds bank. We complained about this and involved the Financial Ombudsman; Lloyds returned our money and offered us £50.00 by way of compensation which did not go far enough to cover the cost of replacing or changing our media to show new bank account details and the time and inconvenience to sort this out.

We will continue to fight on behalf of the charity against any adversity we encounter in the human world.

The MOJMI witnessed the power of God through the Name of Jesus, by our evangelistic outreaches to people on the street in the UK and, by our use of Facebook and You Tube, we reached out to people all over the world. We found our Social media platforms more effective to contact the less privileged to meet for prayers and also, for people in need to contact us to request donations.

The MOJMI continues to seek out ways to minister to the general public locally, nationally and internationally. In 2024 people testified to us that they had been healed by the power of God following our preaching.
